Birds Fly Why Can't I:

Birds Fly, Why Can't I? Florence Troy, 2001-01-15 On these pages are random thoughts about life love and despair and some happy thoughts dedicated to all of those unknown poets who can rhyme moon with June but can never get their lives to rhyme Why Can't I Fly? Donald G. Thomas, 2025-08-19 An emperor penguin Prince is born in the Arctic from a very large egg and quickly starts to wonder why he cannot fly He notices that he is a majestic bird with a beautiful coat of tuxedo like colored feathers and he has large and powerful wings Even with that he can't fly no matter how hard he tries Each night he dreams of many insects and birds and even some fish who effortlessly flap their wings and soar above his head each day Finally without realizing it instincts take over and he takes a leap of faith Our Songbook Rod Imer, 2013-12-17 A Collection of family favorites of songs poems and a few stories **Age Is Just a Number** Cherrill Clough, 2014-11-18 Emily Saunders an eighty five year old widow of means lives in an affluent suburb of Brisbane and has everything she needs but she is lonely Her family does not have the time to check on her because of their busy lives She phones her friend Audrey Thomas also a widow and asks her to accompany her on a cruise and she is delighted They had been through high school together and are still the best of friends During the cruise there is a talent quest and as Audrey also eighty five always wanted to be a singer she entered and won the first and second contests then was requested by the audience to do concerts which were well attended on the ship On the cruise they stopped at a small island that was very little and the two ladies went to visit the school which had very little tools books and things needed to run any school Audrey and Emily decided to start a charity for the school It was doing really well and some big company names generously gave their products just for a mention in their advertisement The women did well and soon outfitted the school from the donations received After their second cruise requested by the company for Audrey to do more concerts on board they delivered all the goods and the children did a concert on the ship for thanks and built up a good rapport with the passengers who all wanted to help this poor island school and joined the charity They arrived back in Brisbane to the television news showing that a huge cyclone had washed away the homes of the children of the Vitu School and all the terrible devastation Many families living in the school and hospital on the hill are the only buildings standing fully intact The cruise ships couldn't go in for the debris everywhere so there was no income from the islanders' wares It was full steam ahead with the charity Audrey's two sons came and voluntarily managed the funds coming in through the charity Audrey does a huge concert in Brisbane with other supporting acts in a stadium for seventy five thousand people and kept the charity money building There were fifty six tradesmen of all persuasions who went voluntarily and did an amazing job all being filmed to show the people where their hard earned donations had been used for From this Audrey who has dreamed of having her own concert all her life made DVDs and CDs that sold out and won awards They both got humanitarian awards and after a full on three years decided to slow down and take it easy This is a wonderful story of love friendship family and human kindness and proves that age is just a number The Lamp Lighter , 2008-04-28
