Bitter Is The Hawks Path:

The Best in Children's Books Zena Sutherland, 1973 Reviews 1 400 books for children chosen as the best published during the years 1966-1972 **Bitter Is The Hawk's Path** Jean McCord, 2020-06-22 Some writers are truly gifted in their talent to reach the hearts, minds and souls of their readers. Some authors' ability to reach out with words and grasp the sheer essence of human anguish, torment and suffering and then portray that substance into stories of real life drama can be overwhelming and powerful to their readers. Jean McCord was one of these such authors. Reaching into the memory alcoves of her own difficult and tragic childhood, McCord dealt with and learned to understand the agony of hurtful human conditions. Her gifts are her stories to help others, her readers to recognize, understand, sympathize, empathize and perhaps learn to deal with similar pains in their own lives. For those set apart from others by physical characteristics, social status, money or the lack of it, language differences of one sort or another or just because they feel different, there can be many lonely moments. There may also be times of self-realization that come to some who see themselves as more a part of the background of life around them rather than key players. Such moments may be acceptable to some under their circumstances or more likely hurtful in their intent or result. Each of the ten persons who appear in these ten stories is isolated from others, set apart by some condition, not of his choosing. And each regrets it. All of the following characters strive in their own ways to overcome their loneliness. Some come to harm, some to grief and a few to satisfaction or just acceptance. It does not matter. Jean McCord is saying who you were born or what your circumstances are. If you are born a loner, your condition will not change. You must accept your fate and do what you can. Maybe you will become stronger because of what you are. Just believe in yourself, accept but challenge your fate and follow your mind. These are forceful stories that reach to the heart of many human problems. **Short Story Index**, 1960 **Short Story Index: 1969-1973**, 1974 **Supplement, 1969-1973** Estelle A. Fidell, 1974-12 An index to 11 561 stories in 805 collections **The Path of the Hawk** Jeff Townsend, 2014-10-30 The hawk was Cole Hawkins' Indian totem, his naming clan. He always looked for them as he rode. Their presence brought him peace and the promise of prosperity. Cole's journey begins when he is a young man. His travels take him from the battlefields of Waterloo to England and then ultimately to the foreign plains of America. He begins his American adventure in New York but eventually finds his way to the Missouri and Mississippi rivers following the course of the hawks that fly above. He meets many people over the course of his travels. The Native Americans seem welcoming and kind but Cole is surprised to find whites suspicious and strange. Then again people come in all sorts. Cole is forced to grow up fast. He makes friends, meets women and seeks his fortune in a new land. He is a brave adventurer searching for a future in early nineteenth century America. He is not alone. There are many others who travel the same path. Through it all, Cole never forgets his namesake hawks that watch his every step from the sky. **Hawk's Way Grooms** Joan Johnston, 2014-08-19 The virgin groom. He was every kid's idol, every man's envy, every woman's fantasy. And then Mac Macready's fiancée dumped him and his future was

looking mighty uncertain The most shocking thing of all was that the only woman who could save him was notorious Jewel Whitelaw **Into the Path of Gods** Kathleen Guler,2011-01-17 In the war torn fifth century after the end of Roman rule and before King Arthur s rise to power blunt talking spy and master of disguise Marcus ap Iorwerth works for a clandestine alliance of British nobles set to depose the inept and hated high king His efforts lead him to Claerwen an ethereal woman with fire in the head the gift of visions and to whom he is inescapably drawn He quickly realizes she has unwittingly become ensnared in a lethal conspiracy involving a broken marriage contract a buildup of foreign mercenaries and a brutal warrior called the Iron Hawk who leaves atrocities and scorched earth in his wake All appear connected to a hunt for an unnamed treasure supposedly in Claerwen s possession She knows nothing of this treasure and though Marcus struggles to protect her he is betrayed and disappears Alone and homeless Claerwen must decide whether to believe what everyone tells her that Marcus is dead and she should go into hiding But when a vision shows her the dreaded Iron Hawk in pursuit of Marcus she is also challenged to journey into the path of gods to trust the destiny laid out before her Defying all common sense she embarks alone on a daunting journey to find him before the warrior does Has she truly understood the vision s message Or will each die alone lost and forgotten at the edge of the Iron Hawk s sword And will the alliance survive without Marcus perhaps dooming Britain s future as well Into the Path of Gods blends Dark Age Britain s history with its Celtic roots and Arthurian legend The story introduces the spectacular four part Macsen s Treasure Series set in the fifth century Other books in the multi award winning series include In the Shadow of Dragons The Anvil Stone and A Land Beyond Ravens
