Scientific Perspective Byung Kook Hwang, 2025-07-31 Korean Christianity must now be reborn as a biblical agape religion of love and life away from the religion of salvation and self love that seeks personal blessing God is love 1 John 4 8 Jesus is the source of life There is life in Jesus Christ John 1 4 and Jesus is the Word of life 1 John 1 1 The core of the Christian faith is faith alone in God and Jesus Christ True Christians must understand the Bible correctly obey and believe in God and live righteously and good according to the Bible and God's will The life of Jesus Christ is the highest standard of life for people to

imitate Christians in Korea should live a life of action in practice according to God's word in the Bible at home and in society. They should love one another in deed and truth not just in word or in tongue. 1 John 3:18. Only when this agape style life of God's love takes root in Korean society a truly biblical Christian culture will be established in Korea. True Christians have freedom in the Lord Jesus Christ and live a life of faith in obedience to God and Jesus Christ refusing to be servants of the world.

His Story Christopher Garcia, 2015-05-26. We believe that there is a God but is this the way God would run the world with death and destruction and all sorts of evil? If God is loving why isn't everything perfect? There are the whys in life. How did this all get started? Why are we born and why do we die?

Heaven on Earth Joseph Aurelio Mendoza, 2010-09-16. Heaven On Earth: A Guide to the Kingdom is about healing Earth and healing Humanity. You will understand and identify the times we are living in. It is easy to see the world is in chaos but understanding why the world is in chaos is the source to the solution. A Guide to the Kingdom is about knowing yourself and being subject to your divine heritage. It is about the lost and forgotten commandment of Christ and it will transcend all the divisions of humanity and bring forth the Rapture. Do you love your children then come hear my divine voice.

Confirmed Catholic Tracy Finke,

Creating Life in the Lab Fazale Rana, 2011-02-01. Each year brings to light new scientific discoveries that have the power to either test our faith or strengthen it. Most recently the news that scientists have created artificial life forms in the laboratory. If humans can create life what does that mean for the creation story found in Scripture? Biochemist and Christian apologist Fazale Rana for one isn't worried. In *Creating Life in the Lab* he details the fascinating quest for synthetic life and argues convincingly that when scientists succeed in creating life in the lab they will unwittingly undermine the evolutionary explanation for the origin of life, demonstrating instead that undirected chemical processes cannot produce a living entity.

New Perspectives on Healing, Restoration and Reconciliation in John's Gospel Jacobus Kok, 2016-10-05. In *New Perspectives on Healing, Restoration and Reconciliation in John* Jacobus Kobus Kok investigates the depth and applicability of Jesus' healing narratives in John's gospel. Against the background of an ancient group-oriented worldview it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date. He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much

broader way than we tend to understand it today He shows inter alia why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing restoration and reconciliation Life-Study of Genesis Witness Lee,1987-12-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does

Riddles Requiring Resolution ... for Christians Claude O. McCoy,2013-07-23 Have you ever been in situations where we've known what we should do and just couldn't do it Similarly there have been things we've known we shouldn't do but did anyway This book which clarifies the practical theology of Christian counseling defines such problems and their solution This makes it a must read for pastors counselors Christian Ed teachers and anyone else interested in resolving critical life riddles that confront all of us It is these riddles which underlie most problems for which people seek professional counseling You might consider it strange that most folks seek counseling because they are thinking about and processing life normally The truth is that most folks in counseling are trapped in Riddles Requiring Resolution something about which they are unaware Many folks tell their counselor that they just want to be normal In reality however they are in counseling because they do act and think normally and that is the problem Author Bio Midway through Claude McCoy's 47 year career as a Christian psychiatrist he had a mid life crisis that led to a severe depression and thoughts of suicide Years of church and Sunday

School attendance had not equipped him to deal successfully with the problems he was facing with health marriage career and friends He felt as though he was going to lose a large part of his life and was powerless to remedy the situation He was facing riddles requiring resolution What he needed to learn was the same thing that all Christians need to learn and understand about their Life Simply put it is what Christ meant when He said He was the Way the Truth and the LIFE An understanding of what Christ meant is the key to the solution of the majority of the riddles that we experience in our day to day journey here Riddles Requiring Resolution was written in an effort to leave a legacy of riddle solutions for others It is McCoy s hope that through reading this book that you will gain an expanded understanding as to how much God has shown love for you by gifting you with all of Life In addition an expanded comprehension of God s love for you will be your motivation to honor God in your daily walk and to endure the troubles that occur in your life in a God honoring manner
