Requirements by Collaboration is a must read for any system stakeholder End users and system analysts will learn the significant value they can add to the systems development process Management will learn the tremendous return they may receive from making a modest time people investment in facilitated sessions Facilitators will discover ways to glean an amazing amount of high quality information in a relatively brief time Russ Schwartz Computer System Quality Consultant Global Biotechnology Firm In addition to showing how requirements are identified evaluated and confirmed Ellen provides important guidance based on her own real world experience for creating and managing the workshop environment in which requirements are generated This book is an engaging and invaluable resource for project teams and sponsors both business and IT who are committed to achieving results in the most productive manner possible Hal Thilmony Senior Manager Business Process Improvement Finance CiscoSystems Inc Project managers should read this book for assistance with planning the requirements process Experienced facilitators will enrich their knowledge New facilitators can use this book to get them up to speed and become more effective in less time Rob Stroober Competence Development Manager and Project Manager Deloitte Touche Consultdata The Netherlands While many books discuss the details of software requirement artifacts for example use cases Ellen s new book zeros in on effective workshop techniques and tools used to gather the content of these artifacts As a pioneer in requirements workshops she shares her real life experiences in a comprehensive and easy to read book with many helpful examples and diagrams Bill Bird Aera Energy LLC Requirements by Collaboration is absolutely full of guidance on the most effective ways to use workshops in requirements capture This book will help workshop owners and facilitators to determine and gain agreement on a sound set of requirements which will form a solid foundation for the development work that is to follow Jennifer Stapleton Software Process Consultant and author of DSDM The Methodin Practice This book provides an array of techniques within a clear structured process along with excellent examples of how and when to use them It s an excellent practical and really useful handbook written by a very experienced author Jean Anne Kirk Director DSDM Consortium and IAF Professional Development Ellen has written a detailed comprehensive and practical handbook for facilitating groups in gathering requirements The processes she outlines give the facilitator tools to bring together very different perspectives from stakeholders elegantly and with practical useable results Jo Nelson Principal ICA Associates Inc Chair IAF 2001 2002 Requirements by Collaboration Workshops for Defining Needs focuses on the human side of software development how well we work with our customers and teammates Experience shows that the quality and degree of participation communication respect and trust among all the stakeholders in a project can strongly influence its success or failure Ellen Gottesdiener points out that such qualities are especially important when defining user requirements and she shows in this book exactly what to do about that fact Gottesdiener shows specifically how to plan and conduct requirements workshops These carefully organized and facilitated meetings bring business managers technical staff customers and users into a setting where together they can discover evolve validate verify and agree upon

their product needs Not only are their requirements more effectively defined through this collaboration but the foundation is laid for good teamwork throughout the entire project Other books focus on how to build the product right Requirements by Collaboration focuses instead on what must come first the right product to build

Creating A Shared Team Purpose Workshop: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Creating A Shared Team Purpose Workshop : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Creating A Shared Team Purpose Workshop : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
