Creating Miracles Understanding The Experience Of Divine Intervention:

Creating Miracles Carolyn Godschild Miller, 2006 In *Creating Miracles* Carolyn Miller explores miracles in people's lives. In over 50 accounts of real experiences she describes how ordinary people spontaneously entered altered states of consciousness and positively affected sometimes life threatening events. Drawing on her scientific background as an experimental psychologist she analyzes the common patterns in these situations as well as the skepticism with which these stories might be received. Part one of *Creating Miracles* spotlights ordinary miracles where average people respond to extraordinary circumstances. Part two explains how to create the personal conditions that are needed for a miracle to occur. Miller shows the importance of being able to tap into intuition, the inner divine guide as well as disarming the ego in bringing a person into a state of miracle readiness. A handy 'Things to Think About' section at the end of each chapter highlights the chapter's most important points.

Creating Miracles Carolyn G. Miller, PhD, 2011-02-08 Miracles Can Happen to You. We normally use the term miraculous to describe dramatic, larger than life events but not all miracles are out of this world. Ordinary miracles, surprising positive occurrences such as surviving a horrible automobile accident or finding our soul mate can happen in our everyday lives. A scientist as well as a student of metaphysics, Dr. Carolyn Miller has spent more than twenty-five years researching the elements that are common in real life miracles. She has discovered that ordinary people often survive impending disaster by entering a serene state of consciousness and following inner guidance. In *Creating Miracles*, Dr. Miller shares specific suggestions and techniques such as tapping into our intuition and disarming our ego for cultivating a state of miracle readiness in our lives. Through the true stories and amazing experiences she relates in this book, she demonstrates that miracles are real and that accessing them requires only that we follow some clear and simple steps.

all thought provoking **It's the Thought That Counts** David R. Hamilton, 2010-05 IT s THE THOUGHT THAT COUNTS When pharmaceutical scientist David R Hamilton Ph D observed the results of tests on new drugs he noticed that patients receiving control placebo pills reported the same level of improvement as those receiving the actual drug Seeing this result repeat itself time and time again he became fascinated by the mind body connection and started to research the work of scientists mystics and healers in this field The result is this groundbreaking book in which Hamilton explains how the mind and emotions can influence the well being of your body and even the structure of your DNA You ll learn about the physical impact of meditation why sending healing thoughts to a person in need is so beneficial the power of love and its impact on body cells and all the many ways in which your thoughts affect you **On the Path to Enlightenment** Chris

Hamilton, 2013-10 On the Path to Enlightenment A Hope for Humanity seeks to provide insight into the purpose of life Author Chris Hamilton explains that it is the lessons we are learning in our everyday lives that define our life s purpose These lessons give us hope to move forward into the light through love releasing fear and judgment as we find peace and listen to our inner voice We also realise that we do have help in our daily life through the guidance we are each given on a daily basis We were born to experience life in all its many facets to find love and to live that love From personal tragedy in Chris s life comes a warm story of understanding our spiritual side through this guidance and ultimately finding peace and forgiveness She has received what she believes to be divine guidance over a period of time some of which was channelled to uplift her in times of sadness doubt or frustration She feels it has been given not for her alone but for everyone As our planet moves towards a higher dimension we mankind must move forward with it if we are to remain on the earth in our physical forms On the Path to Enlightenment seeks to help us make that move Profound and uplifting this book by Chris Hamilton has grown from a long study of esoteric knowledge channelled guidance and personal tragedy Lawrence and Michael Sartorius authors of The New Earth [Our Whole Life Is Our Whole Responsibility](#) Michael G. Kamau, 2011-11-01 This book is designed to provide important information about how we make our choices in life encouragement for each of us to make positive changes where we identify the need and practical ideas techniques and methodologies for correcting the direction of our life path to where we want it to go There is no one size fits all approach to making our life better Throughout this book we are encouraged to draw upon the many resources around us within us and available to us to make our life what we once wished and expected it to be It was written for you to see that you are the master of every area of your life It is empowering in every way This work does not conflict with your chosen religion Exercising this power will allow you to rise above all negative programming from your youth your self imposed learning limitations the fear and anxiety you experience from watching news programs your dysfunctional relationships any low self esteem issues involvement in self damaging habits and so on **It's the Thought That Counts** David R. All Your Prayers Are Answered Sam Menahem,2000-10 This book answers several questions that have perplexed people throughout the ages Why do good people get sick and suffer misfortune Can prayer help and heal Is God powerful but not omnipotent Or does God have varying answers to prayers This book suggests that all of us are alive for a reason to learn and grow spiritually This growth requires a movement toward faith love forgiveness and unity Positive movement in these areas helps us deal with fear hate guilt and inferiority These psychological problems are also opportunities for growth As we learn to pray more effectively we are healed spiritually psychologically and often physically We need to look at life as a beautifully unfolding divine plan If all prayers were answered with instantaneous miraculous healings people would not learn to take responsibility for their thoughts feelings and behavior They would just turn to God to bail them out or provide selfish gain Thus all prayers are answered in a way that can lead to the maturity necessary to pray more effectively Only God knows the next step in each person s journey Our job is to surrender to divine direction take responsibility for ourselves and do what we need to do and accept all results Prayer leads to maturity peace and happiness which in turn leads to more effective prayer

Signs and Wonders: Experiencing the Supernatural Promises of Mark 16:17-18 Pastor Yves Gerard, Signs and Wonders Experiencing the Supernatural Promises of Mark 16 17 18 Imagine standing in the presence of the miraculous the blind receiving sight the sick rising from their beds and chains of oppression shattering in an instant What if these were not just stories from the past but living realities that Jesus promised His followers In Signs and Wonders Experiencing the Supernatural Promises of Mark 16 17 18 we step into the powerful words of Christ And these signs will follow those who believe In My name they will cast out demons they will speak with new tongues they will take up serpents and if they drink anything deadly it will by no means hurt them they will lay hands on the sick and they will recover Mark 16 17 18 NKJV This book is a faith filled journey into the supernatural realm of God s power Through biblical insights real life testimonies and practical guidance you will discover how to walk in the authority Jesus has given you Whether you desire healing deliverance or a deeper understanding of spiritual gifts this book will ignite your faith and equip you to experience the wonders of God firsthand Are you ready to step into a life where miracles are not just possible but expected The supernatural awaits

Obedience and Purpose: Understanding God's Plan through Moses Pastor Yves Gerard,2025-03-03 Obedience and Purpose Understanding God s Plan through Moses explores the remarkable life and leadership of Moses revealing timeless lessons about faith obedience and the fulfillment of divine purpose From his encounter with God at the burning bush Exodus

3 1 12 to leading the Israelites out of bondage in Egypt Exodus 14 21 22 Moses journey is a powerful testament to trusting in God s plans Through his unwavering obedience even in moments of doubt Moses demonstrates how surrendering to God s will can uncover a greater purpose and equip believers to overcome life s challenges This work examines pivotal moments from Moses story such as his reliance on God for provision Exodus 16 4 and his role in delivering the Ten Commandments Exodus 20 1 17 These examples inspire readers to embrace their calling cultivate faith and trust in God s perfect plan as reflected in Jeremiah 29 11 For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future
