At the Heart of it Walt Harrington, 1996 Delving into the everyday lives

of real everyday people Walt Harrington skillfully draws the reader into an intimate relationship with the men and women profiled in this powerful collection of stories people like V I Smith a homicide detective Deane Guy a stock car racer Jackie Jordan a social worker in family services and Sheri D Amato a girls soccer coach Originally appearing in the Washington Post Magazine these stories which capture a cross section of Americans stand out in the field of journalism because of the unique way in which Walt Harrington uses unheralded individual lives to elaborate on the great human issues of the day In Mothers and Daughters three generations of women discuss how society affected the choices they made and who they became The Mystery of Goodness follows a Harvard educated lawyer who handles death row cases for very little money because he feels the system is unfair to African Americans In To Have and Have Not a young couple with two small children struggle to make ends meet Harrington describes in detail the creation of a poem by Rita Dove then United States Poet Laureate in The Shape of Her Dreaming Harrington has adeptly combined sociology and journalism into beautiful prose As literary journalism the stories employ scene dialogue and physical description within a narrative framework At the same time they also adhere to all the traditional journalistic standards of accuracy fairness and balance As a result At the Heart of It represents a subgenre that is rarely practiced and seldom understood even within the profession of journalism All of these stories are snapshots pieces of everyday life in America that are intended to be a mirror held to the lives of readers These are not stories about which you can remain neutral even the most casual readers will be moved by the glimpses Walt Harrington provides us of ourselves
