Dreams Parables:

Biblical Parables and Their Modern Re-creations Gila Safran Naveh, 2012-02-01 In Biblical Parables and Their Modern Re creations Gila Safran Naveh carefully charts the historical transformation of these deceptively simple narratives to reveal fundamental shifts in their form function and most significantly their readers cognitive processes Bringing together for the first time parables from the Scriptures the synoptic Gospels Chassidic tales and medieval philosophy with the mashal the rabbinic parables commonly used to interpret Scripture this book brilliantly contrasts the rhetorical strategies of ancient parables with more recent examples of the genre by Kafka Borges Calvino and Agnon By using an interdisciplinary approach and insights from current semiotic linguistic psychoanalytic and gender theories Naveh reveals a dramatic social cultural and political shift in the way we view the divine

The Psychedelic Sacrament Dan Merkur, 2001-08-01 Reveals the secret teachings from the Judeo Christian traditions that promote the use of psychedelic substances to enhance religious transcendence Explains how special meditations were designed to be performed while partaking of the psychedelic sacrament In The Mystery of Manna religious historian Dan Merkur provided compelling evidence that the miraculous bread that God fed the Israelites in the wilderness was psychedelic made from bread containing ergot the psychoactive fungus containing the same chemicals from which LSD is made Many religious authorities over the centuries have secretly known the identity and experience of manna and have left a rich record of their involvement with this sacred substance In The Psychedelic Sacrament a companion work to The Mystery of Manna Dan Merkur elucidates a body of Jewish and Christian writings especially devoted to this tradition of visionary mysticism He discusses the specific teachings of Philo of Alexandria Rabbi Moses Maimonides and St Bernard of Clairvaux that refer to special meditations designed to be performed while partaking of the psychedelic sacrament These meditations combine the revelatory power of psychedelics with the rational

exercise of the mind enabling the seeker to achieve a qualitatively enhanced state of religious transcendence The Psychedelic Sacrament sheds new light on the use of psychedelics in the Western mystery tradition and deepens our understanding of the human desire for divine union **Dreams and dream stories, ed. by E. Maitland** Anna Bonus Kingsford,1888 *The Thoughts of a Heart* Melvin Cintron Figuereo,2005-05 It will allow you an inner reflection of a smile a sigh or a thought that you may have misplaced The writers ability to perceive and project our deepest feelings those we hide and those we wish to share is evident through out this book Mel Cintrons writing opens you up to a new world of emotions and consciousness and your own involvement and ownership Have you ever had something to say but I couldn t find the right words Was there ever a time when words just didn t do justice to your thoughts or feelings because they were stronger than words Have you ever wanted to express yourself in a way that transcends all that has been said before Then *The Thoughts of a Heart* is a reflection of yourself what you thought no one could express or feel of you Within these pages you will find that which you wish to share with yourself and that which you wish to share with others The authors writings have been used to mend heal strengthen and star relationships and sharings of our innermost value with ourselves and with others What you think and wish to say to yourself and others Is said with words from the soul in *The Thoughts of a Heart* [Understanding the Dreams You Dream Revised and Expanded](#) Ira Milligan,2011-07-28 *Understanding the Dreams You Dream* Biblical Keys for Hearing God s Voice in the Night not only provides insight into your dreams and life but also includes a comprehensive dictionary of dream symbols You will be guided through the complex world of dreams by a minister with decades of experience receiving understanding and interpreting dreams of his own and for others I have received many helpful messages from God through dreams In addition to being helped through my own dreams I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling Ira Milligan Through Scripture based meditation much can be understood about your dreams but many Christians don t know how to meditate This problem is addressed in three different ways Specific detailed directions are given on how and upon what to meditate Personal examples of dreams from the author s own experiences Practical dictionary of symbol definitions is included This book presents both normal and not so normal dream situations You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition which is incorrect And you will learn how to tell the difference between a dream from God and those from evil sources **A Narratology of Drama** Christine Schwanecke,2022-01-19 This volume argues against G rard Genette s theory that there is an insurmountable opposition between drama and narrative and shows that the two forms of storytelling have been productively intertwined throughout literary history Building on the idea that plays often incorporate elements from other genres especially narrative ones the present study theorises drama as a fundamentally narrative genre Guided by the question of how drama tells stories the first part of the study delineates the general characteristics of dramatic narration and zooms in on the use of narrative forms in drama The second part proposes a history of dramatic storytelling

from the Renaissance to the twenty first century that transcends conventional genre boundaries Close readings of exemplary British plays provide an overview of the dominant narrative modes in each period and point to their impact in the broader cultural and historical context of the plays Finally the volume argues that throughout history highly narrative plays have had a performative power that reached well beyond the stage dramatic storytelling not only reflects socio political realities but also largely shapes them The Catholic Christian Instructed in the Sacraments, Sacrifice, Ceremonies, and Observances of the Church Richard Challoner,1878
