stunning weather and all the beautiful animals and greenery we see around us when we're out enjoying the warm breeze and fresh air. Each year we find that it's undoubtedly the flowers that catch our attention the most and make us feel more inspired than basically anything else. Crafting with fresh flowers can certainly be done but we find that the projects have a short shelf life. We've done our fair share of crafting with faux flowers in their place but there's just something so pretty and whimsical about the flowers being real so replacing them with silk or plastic diminishes that magic a little bit. That's why we've been so obsessed with Stunning Dried Flower Crafts lately.

Fantastic Ideas for Dried Flower Crafts William Hurt, 2022-09-14 When it comes to summer creating we usually use our free time to produce vibrant enjoyable goods that are motivated by the lovely weather the lovely animals and the lush surroundings we view when we're outside enjoying the gentle breeze and fresh air. Every year we learn that flowers more than anything else are what truly inspire and catch our attention. Fresh flowers can be used to create crafts however we've discovered that the resulting goods have a short shelf life. We've completed our fair share of crafts using cloth or plastic flowers in their place but doing so somewhat diminishes the magic because there's just something so lovely and quirky about the flowers being real.
