Voluntary Servitude. Masochism and Morality Judith Le Soldat, 2024-12-23 Le Soldat's *Voluntary Servitude. Masochism and Morality* presents an extraordinary analysis of masochism, the subject, death drive and sexual discourse inspired by Freudian drive theory, philosophy, gender theory, political science and mythology. This book will certainly evoke the reader's curiosity but even more than that it will encourage readers' critical reflection on the clandestine defensive formations between the psyche and reality that in the author's view obscure pleasure principle by corrupting the death drive and the body. Le Soldat presents an unprecedented formulation in psychoanalytic literature to date, one of incomparable significance not only for our clinical work but also for critical theoretical reflection on society and its vicissitudes. As a result of their defensive stances, we encounter masochistic subjects of servitude enclosed in a world of wars, economical rivalries, regressive brutality of consumerism, religious dependency and political mania. Drawing on the work of Freud and Adorno and balancing theoretical and clinical material, this is essential reading for psychoanalysts, psychotherapists and anyone who seeks to understand the concept of voluntary servitude.

The Unbearable Dreamworld of Champa the Driver Chan Koonchung, 2015-12-03 A humorous literary novel of modern China from the author of *The Fat Years*. Life is simple for Champa. He has a good job as a chauffeur in his hometown of Lhasa and if his Chinese boss Plum is a little domineering, well, he can understand that she's a serious art collector after all. And he does get to drive her huge Toyota. When he starts to sleep with his boss as well as drive her around, life becomes a whole lot more complicated. But not in a bad way. Suddenly Champa's sex life is beyond his wildest dreams. But then Plum brings home a Tara statue, a statue that shines with exquisite feminine beauty and suddenly life is not simple at all as Champa finds himself on the long road to Beijing in search of its inspiration. This is a rollicking road novel brimful of sensuality and danger. Underlying the optimism and humor of its hero is a darker picture of racism and rough justice in modern Beijing.
