Driving Passion Peter Marsh, Peter Collett, 1989 **Driving Passion** Peter E. Marsh, Peter Collett, 1986 **Your Intentional Difference** Ken Tucker, Todd Hahn, Shane Roberson, 2014-01-07 As people we realize that we are all different but who knew that difference was comprised of such a small but extremely potent portion of our psyche Your Intentional Difference One Word Changes Everything maps out how you can discover what that 5% difference is in ONE WORD what it means and how to master it in order to positively affect your life your creativity and productiveness You are not an accident and your differences are extremely valuable Learn from business leaders entrepreneurs employees students even a fisherman and a taxi driver as they explore and outline their journeys of how their lives both personal and professional changed for the better the moment they were able to recognize and act on their 5% Intentional Difference Come discover how Your Intentional Difference One Word Changes Everything can help you at work in your relationships and with that next big decision **Leading Beyond the Walls 21293** Adam Hamilton, 2010-09-01 Good pastoral leadership is not a by the numbers proposition It is a matter of heart and soul of devoting the whole self to the vision God gives for the congregation in which one serves Yet neither is it purely intuitive it requires hard careful thinking about the directions and details of the path down which God calls When Adam Hamilton became pastor of the United Methodist Church of the Resurrection its membership consisted of himself and his family Ten years later the church averages between five and six thousand worshipers per weekend Throughout this remarkable period Hamilton learned many serious lessons about both the broad visions and the specific details of pastoral leadership Bringing a depth of analytical skills often lacking in visionary leaders in this book he goes beyond simply telling the story of Church of the Resurrection He shares the questions that he learned to ask about the largely unchurched population to which Church of the Resurrection has reached out Further he demonstrates what he learned by listening to the answers to these questions and how doing so has made possible a number of strategically crucial decisions the church has made One of those crucial decisions was to make more traditional forms of worship and praise the center of the congregation's life The result is that the example of Church of the Resurrection offers pastors and church leaders especially those in mainline denominations the realization that they need not completely change their liturgical and theological identity in order to reach out to the unchurched Drawing on his own experience as well as the detailed research on the characteristics of highly successful congregations he undertook during a sabbatical leave Hamilton offers pastors and other church leaders solid substantive thinking on steps that congregations can take to become centers of vibrant outreach and mission Also available in Adobe Ebook 9780687026753 Microsoft Ebook 9780687027491 **Passion Branding** Neill Duffy, Jo Hooper, 2004-11-19 In a world of switched off and disenchanted consumers the time is right for a new approach to communicating with customers Passion Branding is that approach Centred on a passionate relationship between brand and consumer and the leverage of that passion in order to create value for all involved in the relationship
