**DISADVANTAGED GROUPS: A SOCIAL POLICY PERSPECTIVE** Deniz SAY ŞAHİN, Sevinç PEHLİVAN SÜTLÜ,2022-01-19 Universal Declaration of Human Rights begins as All human beings are born free and equal in dignity and rights and Everyone is entitled to all the rights and freedoms set forth in this Declaration without distinction of any kind such as race colour sex language religion political or other opinion national or social origin property birth or other status But some segments of the society have more rights and freedoms than others Although the Others have been given names such as Groups that Need Special Protection they are now called Disadvantaged Groups and include children young people addicts the elderly the disabled immigrants minorities ex convicts women single parent families the poor Considering that the majority of the world s population consists of children young people women and the elderly it is obvious that the problems of

disadvantaged groups are actually the problems of society Although the groups are counted individually a person is in more than one group The disadvantaged poor child can grow up to be a woman who becomes a single parent The Politics and Morality of Deviance Nachman Ben-Yehuda,1990-01-01 The Politics and Morality of Deviance develops a theoretical framework and then applies it to four different and specific case studies in an explicit attempt to put the sociology of deviance back into mainstream sociology It argues that deviance should be analyzed as a relative phenomenon in different and changing cultures vis a vis change and stability in the boundaries of different symbolic moral universes It also argues that the legitimization of power should be thought of in terms of a moral order that in turn defines the societal boundaries of different symbolic moral universes Mills concept of motivational accounting systems is utilized throughout the text in order to illustrate how the micro and macro levels of analysis can be integrated **Social Policy for Children and Families** Jeffrey M.
