Drug Abuse In East Asia:

Drug Abuse in East Asia Christopher Spencer,V. Navaratnam,1981 **Drug Abuse in East Asia** Christopher Spencer,C. P. Spencer,V. Navaratnam,1981 Epidemiologic Trends in Drug Abuse National Institute on Drug Abuse. Community Epidemiology Work Group,1999 **Epidemiologic Trends in Drug Abuse** National Institute on Drug Abuse. International Epidemiology Work Group on Drug Abuse,1998 Public Health in East and Southeast Asia Roger Detels,Sheena G. Sullivan,Chorh Chuan Tan,2012-06-15 Public Health in East and Southeast Asia presents an overview of the state of public health across this vast region and considers the challenges and prospects for its future advancement It pays particular attention to how rapid economic progress has brought accelerated change both demographic and epidemiological to an area already marked by great heterogeneity in health status and public health systems In comparative and thematically oriented chapters leading scholars consider such issues as changes in values and lifestyles infectious diseases nutrition tobacco chronic diseases accidents and injury environmental health occupational health the effect of globalization and health services **Handbook of Asian Criminology** Jianhong Liu,Bill Heberton,Susyan Jou,2012-12-09 The Handbook of Asian Criminology aims to be a key reference for international scholars with an interest in the broad theme of international criminology in general and the Asian region in particular Contextualization is a key theme in this book The role of context is often underemphasized in international criminology so the Handbook of Asian Criminology s premise that crime and the responses to it are best understood as deeply embedded in the cultural specificity of the environment which produces them will play a key role throughout the work Attention will be given to country and region specific attitudes towards crime and punishment Management of Medical Disorders Associated with Drug Abuse and Addiction ,2007 An expert system also known as a knowledge based system is a computer program that contains some of the subject specific knowledge of one or more human experts This class of program was first developed by researchers in artificial intelligence during the 1960s and 1970s and applied commercially throughout the 1980s The most common form of expert systems is a program made up of a set of rules that analyse information usually supplied by the user of the system about a specific class of problems as well as providing mathematical analysis of the problem s and depending upon their design recommend a course of user action in order to implement corrections It is a system that utilises what appear to be reasoning capabilities to reach conclusions This book presents important research on in this dynamic field **Advancing the Regional Commons in the New East Asia** Siriporn Wajjwalku,Kong Chong Ho,Osamu Yoshida,2016-01-22 Advancing the Regional Commons in the New East Asia highlights a number of interests which members of ASEAN and Plus Three countries collectively recognize This set of common interests includes not only economic development but also social development Written by nationals in their respective countries the different chapters in this volume highlights the different foundations for such common interests and these reflect the different constructive ways in which ASEAN and Plus Three countries come to see a multi strand

cooperative partnership The task of advancing the regional commons will involve efforts to recognise and nurture ASEAN s and Plus Three s common interests in terms of broad social development managing regional security issues the development of a regional infrastructure and ensuring collective progress for all member countries ASEAN becomes a community in 2015 and the idea of embracing protecting sustaining and advancing the regional commons become a vital process Concurrently APT has also realized that its contribution to the achieving goal of community and promoting regional commons is absolutely critical for both ASEAN and the Plus Three countries Academics will find in this volume a clear analytical treatment of issues which regional groupings are currently facing and this can provide the basis for a comparative analysis This volume will also be of interest to students and the general public looking for a systematic introduction to the successful implementation of cooperative ventures and also an assessment of the new collaborative energies which shape this dynamic region

Ethnic and Multicultural Drug Abuse Joseph E. Trimble,1992 Here in one volume is a compilation of cutting edge research in the field of drug abuse research with specific ethnic minority groups This book suggests effective ways to conduct research and enhance research opportunities with such groups Ethnic and Multicultural Drug Abuse includes summaries of ethnic minority drug abuse literature and identifies knowledge gaps highlighting areas in need of more research The authors most from African American American Indian Asian Pacific American or Hispanic backgrounds discuss topics related to the research development process report research findings and make research recommendations for African Americans They cover drug abuse research issues existing mainly among Asian Pacific Americans and Hispanics and drug use patterns among a sample of American Indian youth and Alaskan youth Throughout the book informative chapters present guidelines for preparing competitive research proposals focus on studies of the major ethnic minority groups examine adolescents and the homeless discuss theory and development provide extensive bibliographies for continuing research and study An excellent guide for facilitating the organization of a drug abuse research project emphasizing ethnic minority issues this much needed book is a welcome resource for all professionals coping with the on going struggle against drug abuse It is a state of the art book full of helpful practical information for counselors researchers in the fields of mental health drugs and alcohol and policy planners and administrators in the substance abuse field Not only a guide and inspiration to persons contemplating a career in drug abuse research Ethnic and Multicultural Drug Use serves as a useful training tool to assist in educating prospective drug abuse researchers at the graduate and upper level undergraduate levels
