Drug Control Policy Essays In Historical And Comparative Perspective:

Drug Control Policy William O. Walker, 2004-05-01 A detailed look at drug control policy as it has been shaped historically in the United States and other countries most notably in China and East Asia Drug policy has emphasized suppressing drugs at their source by curtailing their distribution but few policy makers have considered legalization as a remedy On the other hand much of drug policy has been a record of bureaucratic infighting and aggrandizement At the same time it has reflected nativistic and racial biases These essays suggest however that alternative strategies would not necessarily be any more successful David Courtwright argues that legalization of drugs would create its own problems Given the nature of federal policy institutional structures and social mores the authors question whether drug policy could have been otherwise constructed William O Walker has brought together leading scholars writing in the field to contribute essays that offer broad perspectives on the history of drug policy They provide a comparative and historical lens through which to view the current debate over drug policy in the United States **Drug Control Policy , United States and International Drug Control, 1909-1997** David R. Bewley-Taylor, 2002-04-22 The United States and International Drug Control 1909 1997 charts the US quest to internationalize the doctrine of drug prohibition The study reveals the origins motivation and methodologies as well as the recurring contradictions and inconsistencies present within the US overseas fight against the production manufacture trafficking and use of certain psychoactive substances Drawing on extensive historical materials David Bewley Taylor uses the international career of America s first Drug Czar Harry J Anslinger to explore how the US successfully exploited hegemonic superiority in 1945 to influence the philosophy of the multilateral drug control system operated by the United Nations More than a purely historical study the book employs an interdisciplinary approach to understanding the development perpetuation and consequences of a US driven multilateral drug control system Examining the contemporary UN drug control framework the author argues that international legislation is largely ineffective This provocative book is the first study to provide a picture of US involvement in drug control from its inception to the present day Its wide ranging scope makes it of interest not only to scholars of diplomatic history US foreign Policy and international relations but also to anyone concerned by the universal growth of the illicit drug problem **Drug Diplomacy in the Twentieth Century** William B. McAllister, 2002-03-11 Drug Diplomacy is the first comprehensive historical account of the evolution of the global drugs control regime The book analyzes how the rules and regulations that encompass the drug question came to be framed By examining the international historical aspects of the issue the author addresses the many questions surrounding this global problem Including coverage of substances from heroin and cocaine to morphine stimulants hallucinogens and alcohol Drug Diplomacy addresses the historical development of drug laws drug control institutions and attitudes about drugs international control negotiations and the relationship between the drug question and issues such as trade policy national security concerns the Cold War and medical considerations the reasons why the goal to eliminate drug

abuse has been so hard to accomplish **The Oxford Handbook of American Political History** Paula Baker, Donald T. Critchlow, 2020 This collection of essays by twenty nine distinguished scholars provides readers with a complete overview of American politics and policy that can be found in any single volume These essays reveal that American politics historically is volatile not given easily to civility and polarizing at the same time they explore important political developments in addressing real issues confronting the nation and the world **Cocaine** Paul Gootenberg, 2002-01-04 Cocaine examines the rise and fall of this notorious substance from its legitimate use by scientists and medics in the nineteenth century to the international prohibitionist regimes and drug gangs of today Themes explored include Amsterdam s complex cocaine culture the manufacture sale and control of cocaine in the United States Japan and the Southeast Asian cocaine industry export of cocaine prohibitions to Peru sex drugs and race in early modern London Cocaine unveils new primary sources and covert social cultural and political transformations to shed light on cocaine s hidden history Legalising the Drug Wars John Collins, 2021-12-02 Provides the first regulatory history of UN drug control and examines its enabling role in the modern war on drugs The Enemy in Contemporary Film Martin Löschnigg, Marzena Sokołowska-Paryż, 2018-08-21 Culture and conflict inevitably go hand in hand The very idea of culture is marked by the notion of difference and by the creative fraught interaction between conflicting concepts and values The same can be said of all key ideas in the study of culture such as identity and diversity memory and trauma the translation of cultures and globalization dislocation and emplacement mediation and exclusion This series publishes theoretically informed original scholarship from the fields of literary and cultural studies as well as media visual and film studies It fosters an interdisciplinary dialogue on the multiple ways in which conflict supports and constrains the production of meaning on how conflict is represented how it relates to the past and projects the present and how it frames scholarship within the humanities Editors Isabel Capeloa Gil Catholic University of Portugal Lisbon Portugal Paulo de Medeiros University of Warwick UK Catherine Nesci University of California Santa Barbara USA Editorial Board Arjun Appadurai New York University Claudia Benthien Universit t Hamburg Elisabeth Bronfen Universit t Zürich Bishnupriya Ghosh University of California Santa Barbara Joyce Goggin Universiteit van Amsterdam Lawrence Grossberg University of North Carolina at Chapel Hill Andreas Huyssen Columbia University Ansgar N nning Universit t Gie en Naomi Segal University of London Birkbeck College M rcio Seligmann Silva Universidade Estadual de Campinas Ant nio Sousa Ribeiro Universidade de Coimbra Roberto Vecchi Universita di Bologna Samuel Weber Northwestern University Liliane Weissberg University of Pennsylvania Christoph Wulf FU Berlin Longxi Zhang City University of Hong Kong **Chasing Dragons** Kyle Grayson, 2008-04-12 Chasing Dragons reconsiders the meaning of security Additionally it discusses avenues for resisting the insecurity produced by liberal states in the post 9 11 world This critical approach reveals the pervasiveness of power in contemporary Canadian society how this power is hidden and the consequences for progressive social politics Canada has received significant attention of late for initiating a government

sponsored medical marijuana program and for its flirtation with marijuana decriminalization At best these initiatives have contributed to Canada being seen as a reluctant ally by Washington and at worst as a potential threat The result of this impression is increasing American pressure to adopt more robust domestic security policies At the same time the Canadian public sees itself as holding unique values that differ from those held by its neighbour to the south Supposedly these values are best reflected by a distinctive security outlook which produces reasonable responses to potential threats a sharp contrast to the manic actions of the United States Chasing Dragons challenges these presumptions of difference and exposes the security politics and policy that they make possible Focusing on the issues surrounding illicit drugs Kyle Grayson examines how discourses and practices of security policy actually contribute to the construction of Canadian national and cultural identity This analysis is also relevant beyond Canada Crucially this book identifies the dangers of underestimating the centrality of race and geopolitics to civic conceptions of nationality in liberal societies Chasing Dragons reconsiders the meaning of security Additionally it discusses avenues for resisting the insecurity produced by liberal states in the post 9 11 world This critical approach reveals the pervasiveness of power in contemporary Canadian society how this power is hidden and the consequences for progressive social politics

A Companion to Ronald Reagan Andrew L. Johns, 2015-04-20 A Companion to Ronald Reagan evaluates in unprecedented detail the events policies politics and people of Reagan's administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan

Heroin, Organized Crime, and the Making of Modern Turkey Ryan Gingeras, 2018-01-26 Heroin Organized Crime and the Making of Modern Turkey explores the history of organized crime in Turkey and the roles which gangs and gangsters have played in the making of the Turkish state and Turkish politics Turkey's underworld which has been at the heart of several devastating scandals over the last several decades is strongly tied to the country's long history of opium production and heroin trafficking As an industry at the centre of the Ottoman Empire's long transition into the modern Turkish Republic as important as the silk road had been in earlier centuries the modern rise of the opium and heroin trade helped to solidify and complicate long standing relationships between state officials and criminal syndicates Such relationships produced not only ongoing patterns of corruption but helped fuel and enable repeated acts of state violence Drawing upon new archival sources from the United States and Turkey including declassified documents from the Prime Minister's Archives of the Republic of Turkey and the Central Intelligence Agency Heroin Organized Crime and the Making of Modern Turkey provides a critical window into how a handful of criminal syndicates played supporting roles in the making of national security politics in the contemporary Turkey The rise of the

Turkish mafia from its origins in the late Ottoman period to its role in the deep state revealed by the so called Susurluk and Ergenekon scandals is a story that mirrors troubling elements in the republic's establishment and emphasizes the transnational and comparative significance of narcotics and gangs in the country's past Medical Use of Illicit Drugs

Kathleen Cronin, 2019-12-15 With the legalization of medical marijuana becoming increasingly common in many states the medicinal potential of formerly illicit drugs has caught the public's attention. However, marijuana is not the only drug being researched and used medicinally. MDMA, psilocybin, and ketamine have been found to have therapeutic qualities which leads some to question whether the medical use of these substances may also be legal in the future. This volume helps readers explore issues like regulation, the ethics of using illicit drugs in medical and scientific research, and its place in the greater history of drug regulation in the United States. Prevention and Societal Impact of Drug and Alcohol Abuse Robert T. Ammerman, Peggy J. Ott, Ralph E. Tarter, 1999-03

The chapters in this book provide a comprehensive overview of the pervasive effects throughout society of substance abuse as well as of prevention programs at a variety of levels. The book will be of value to scholars and those working in the field alike. **The Failed Individual** Katharina Motyl, Regina Schober, 2017-11-09

The freedom of the individual to aim high is a deeply rooted part of the American ethos, but we rarely acknowledge its flip side: failure. If people are responsible for their individual successes, is the same true of their failures? The Failed Individual brings together a variety of disciplinary approaches to explore how people fail in the United States and the West at large, whether economically, politically, socially, culturally, or physically. How do we understand individual failure, especially in the context of the zero-sum game of international capitalism? And what new spaces of resistance or even pleasure might failure open up for people and society? Over 40 Publications Combined: Implications Of Narco-Terrorism And Human Trafficking In Mexico and Central America On United States National Security, 2018-12-11

Over 3100 total pages. CONTENTS: The Nexus of Extremism and Trafficking; Scourge of the World or So Much Hype Crossing Our Red Lines; About Partner Engagement in Mexico; Two Faces of Attrition: Analysis of a Mismatched Strategy against Mexican and Central American Drug Traffickers; Combating Drug Trafficking Variation in the United States; Military Cooperation with Colombia and Mexico; Ungoverned Spaces in Mexico; Autodefensas; Failed States and the War on Drugs in Michoacan; U.S. SOUTHWEST BORDER SECURITY: AN OPERATIONAL APPROACH; TWO WARS OVERSEAS: CONTINGENCY OPERATIONS AND THE WAR ON DRUGS; WHAT HAVE WE LEARNED FROM THE WAR ON DRUGS: AN ASSESSMENT OF MEXICO'S COUNTERNARCOTICS STRATEGY; THE DIVERSIFICATION OF MEXICAN TRANSNATIONAL CRIMINAL ORGANIZATIONS AND ITS EFFECTS ON SPILLOVER VIOLENCE IN THE UNITED STATES; Mexican Drug Trafficking Organizations: Matching Strategy to Threat; THE IMPACTS OF SOCIAL MEDIA ON CITIZEN SECURITY BEHAVIOR IN MEXICO; Combating Transnational Organized Crime: Strategies and Metrics for the Threat Beyond Merida; A Cooperative Counternarcotics Strategy for the 21st Century; MEXICAN DRUG CARTELS AND TERRORIST ORGANIZATIONS: A NEW ALLIANCE; THE

Drug Control Policy Essays In Historical And Comparative Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Drug Control Policy Essays In Historical And Comparative Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Drug Control Policy Essays In Historical And Comparative Perspective has opened up a world of possibilities. Downloading Drug Control Policy Essays In Historical And Comparative Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Drug Control Policy Essays In Historical And Comparative Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Drug Control Policy Essays In Historical And Comparative Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Drug Control Policy Essays In Historical And Comparative Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Drug Control Policy Essays In Historical And Comparative Perspective, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Drug Control Policy Essays In Historical And Comparative Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Drug Control Policy Essays In Historical And Comparative Perspective Books

1. Where can I buy Drug Control Policy Essays In Historical And Comparative Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
