## **Druids Blood:**

**Blood & Mistletoe** Ronald Hutton, 2020-08-11 The acclaimed author of *Witches* *Druids* and *King Arthur* presents a lucid open minded cultural history of the Druids as part of British identity Terry Jones *Crushed by the Romans* in the first century A D the ancient Druids of Britain left almost no reliable evidence behind Historian Ronald Hutton shows how this lack of definite information has allowed succeeding British generations to reimagine reinterpret and reinvent the Druids Hutton s captivating book is the first to encompass two thousand years of Druid history and to explore the evolution of English Scottish and Welsh attitudes toward the forever ambiguous figures of the ancient Celtic world Druids have been remembered at different times as patriots scientists philosophers or priests Sometimes portrayed as corrupt bloodthirsty or ignorant they were also seen as fomenters of rebellion Hutton charts how the Druids have been written in and out of history archaeology and the public consciousness for some 500 years with particular focus on the romantic period when Druids completely dominated notions of British prehistory Sparkling with legends and images filled with new perspectives on ancient and modern times this fascinating cultural study reveals Druids as catalysts in British history *Half-Blood's Birthright* S.C. Stokes, 2023-12-09 Time is running out and I need answers now At the Trial of Ares I found a lead that could save my life An ancient tome believed to belong to the most infamous Druid in history Notoriously secretive the order of the Druids passes their secrets from parent to child by word of mouth This tome might be the only record of their rites and blood magic ever written It s the best chance I have of curing my curse Unfortunately it s in the possession of a notorious witch Kasey Chase She fancies herself the hero of New York City so I doubt she ll part with such a dangerous relic voluntarily Particularly with an army of vampires stalking the city s streets Good thing I wasn t planning on asking Join Seth in *Half Blood s Birthright* an action packed urban fantasy adventure set in the heart of New York City *Realm of Druids: The Beasts of Aledran* Mark Hogenelst, 2019-12-05 In the aftermath of mankind s devastating wars the earth exhausted and broken gave way to chaos Civilization crumbled and from its ashes arcane realms emerged birthing new and powerful life Ancient species rose and fell while the remnants of mankind dwindled into whispers of legend The last champions of humanity the enigmatic Druids fought to restore balance in a world steeped in magic But darkness grew ever stronger Witches and Daemons allied with the savage Wildpack beasts sought absolute dominion enslaving all who dared resist High above the howling cliffs in a forgotten tribe untouched by war a shy boy unknowingly wields an extraordinary gift his command over the mythical Moonstone of power As destruction looms the surviving species on the brink of annihilation embark on a desperate perilous quest to rescue the boy Their only hope lies in reaching the last sanctuary of resistance Aledran the legendary arcane vale of the mighty bears

**Darkness Is Coming** Justus Roux, 2010-10-08 Jena has been dreaming about the same handsome and dangerous looking man for as long as she can remember This man goes only by the name Darkness And for just as long she has had feelings of someone or something is watching her Her only respite from these feelings was the time she spent with the nuns when she

was a teenaged girl Lazarus is an ancient druid who is charged with guarding Jena He must protect her from Shadow and his clan of vampires Shadow has caused an angel to fall from grace and he did the unthinkable of turning an angel into a monster This angel is now called Darkness Lazarus must keep Shadow and Darkness away from Jena She is the pure soul described in an ancient druid scroll It s more than that to Lazarus His growing feelings for the woman he is charged with defending strengthens his resolved to protect her Even if he must go against his own people he will save her **Tempest in a Nutshell** Sophia Rhitlark,2023-03-05 A failed public herald turned broadsheet bard Cassra Besrickton just can t seem to keep her job or herself out of trouble After she flippantly used a quote from Druidic writing to fill out one of her articles the local grove is furious and demanding to know how she got a hold of a supposed lost verse Others too want to know and she soon finds herself dodging both spells and questions as she tries to avoid a cult of heretical druids Now faced with the greatest tempest of her career she learns there is far more at stake than simply her job as dark forces gather to summon an ancient evil and she alone might hold the key to either damning the world or saving it **A Lion's Pride** P.L. Stuart,2024-01-31 Wound a lion s pride and you will feel their claws When Plas defiant King of Ipithyia insults Wely proud King of Lynchun Wely needs no further provocation for invading the realm of his long time enemy As Wely s lord of battle Othrun of Eastrealm is charged to destroy Plas and conquer Ipithyia This despite Othrun winning a hard earned peace with Plas by sparing him from death years before But other ambitious warlords vie to seize Ipithyia for themselves Othrun faces bitter combat on multiple fronts intrigue and the mysterious powers of Eltnish mages like Queen Lysi Who still has securing Othrun s love and her own plans for conquest squarely in her sights Othrun will require the aid of his own mage the enigmatic Viwa to combat his foes who can deploy mages of their own For Othrun s mysterious spiritual guide appears to have deserted him Othrun is forced to rely more and more on pagan magic magic he is supposed to disavow as heresy rather than his Single God Othrun s armies are led by heroes who seem destined to become legends such as Othrun s son the Younger Ingersa Glathan Thurol Yedwol Eld Centi and the fiery and skilled yet untested She Wolf of Carthlughe Hiris also known as the Haughty Princess Yet even all those great warriors won t be enough to ensure triumph And Othrun will need to prevent temptation doubt and his mercurial nature putting his once staunch faith and his allegiances in jeopardy But before Othrun can grapple with all these challenges he must confront dark secrets that could not only destroy his shaky beliefs but also destroy Othrun himself *To Rule a World* Steven Herzman,2022-02-21 In the battle weary world of Dracos filled with dragons and wizards and magical creatures a young boy named Tanis Thalin is born into violence His planet Dracos resembles Earth but houses a civilization far advanced into the future Tanis becomes the ruler of three kingdoms before he perishes in battle His wife bore him twin boys who later become estranged The twins end up ruling small city states but in the end they almost destroy their civilization Before that annihilation could occur Tanis returns from the dead after many years to save the day He is an immortal warrior who will do anything for his family and friends The King Arthur Trilogy
