Drums And Bonnets:

Drums and Bonnets Miriel Lenore, 2003 Poetry which documents the author's search for clues to the life of her great grandmother Lizzie. The poems explore Lizzie's life from her origins in Northern Ireland to the Australian goldfields of Ballarat. Examines women's lives past and present as well as themes of history biography the past and myth. *Smoke* Miriel Lenore, 2019-04-04 Welcome to the Victorian town of Boort where poet Miriel Lenore spent her childhood. With characteristic humour and compassion Lenore has created a series of vivid and moving portraits of Australian rural life in the 1930s. As a child and as a returning adult she observes the weaving together of individual lives, the unravelling that comes with war and tragedy and the pragmatism and everyday reality of country life. Miriel Lenore's voice is clear, forthright and transparent and her use of form flexible and persuasive.

Specifications and Drawings of Patents Issued from the United States Patent Office United States. Patent Office, 1909 Napoleon's Light Infantry and Artillery Paul L Dawson, 2025-12-30 This groundbreaking book offers a detailed exploration of the dress of the thirty-seven regiments of Light Infantry and other support troops in Napoleon's Grande Armée including foot and horse artillery sappers, musicians and carabiniers. For the first time in two centuries it accurately examines how these troops were clothed and equipped. Paul Dawson's research draws from over 1,000 archive boxes in the Service Historique de l'Armée de Terre and the Archives Nationales in Paris. These documents reveal how the 1806 uniform regulations and Bardin regulations were implemented in practice, offering insights previously unavailable to the public. The archives focus on the annual inspections of regiments where the condition of uniforms and equipment was assessed. Soldiers' uniforms were provided through stoppages in their pay with a prescribed lifespan for each item. The regimental Council of Administration also drew funds for clothing renewals, repairs and equipment. Dawson's study demonstrates that the Bardin regulations, often seen as the standard, were largely a myth until the Waterloo Campaign. Through contemporary illustrations and photographs of existing uniforms, this book provides an authoritative understanding of the actual dress worn by Napoleon's troops, making previous descriptions of the Grande Armée's appearance obsolete. *Over a Century of Moving to the Drum* Johnny Arlee, 1998
