The Awakened Ones Gananath Obeyesekere,2012 While a rational consciousness grasps many truths Gananath Obeyesekere believes an even richer knowledge is possible through a bold confrontation with the stuff of visions and dreams Spanning both Buddhist and European forms of visionary experience he fearlessly pursues the symbolic nonrational depths of such phenomena reawakening the intuitive creative impulses that power greater understanding Throughout his career Obeyesekere has combined psychoanalysis and anthropology to illuminate the relationship between personal symbolism and religious experience In this book he begins with Buddha s visionary trances wherein over the course of four hours he witnesses hundreds of thousands of his past births and eons of world evolution renewal and disappearance He then connects this fracturing of empirical and visionary time to the realm of space considering the experience of a female Christian penitent who stares devotedly at a tiny crucifix only to see the space around it expand to mirror Christ s suffering Obeyesekere follows the unconscious motivations underlying rapture the fantastical consumption of Christ s body and blood and body mutilation and levitation bridging medieval Catholicism and the movements of early modern thought as reflected in William Blake s artistic visions and poetic dreams He develops the term dream ego through a discussion of visionary journeys Carl Jung s and Sigmund Freud s scientific dreaming and the cosmic and erotic dream visions of New Age virtuosos and he defines the parameters of a visionary mode of knowledge that provides a more elastic understanding of truth A career culminating work this volume translates the epistemology of Hindu and Buddhist thinkers for western audiences while revitalizing western philosophical and scientific inquiry

I Dream of Kemet Dumani Mandela,2021-06-03 I Dream of Kemet is a novel based on African magic realism from an African perspective When Chawe leaves his dream job in Sweden to pursue his dreams as an artist in France little does he know that his ambitions will lead him back to the African continent in search of and discovery of magic I Dream of Kemet is about the discovery of the hidden aspects of African culture which are often passed down from one generation to the next through storytelling in the verbal tradition and thus often get lost in translation I Dream of Kemet is also a story about the tribulations of man and how through difficulty there are often hidden opportunities to discover magic

Visions of the Night Kelly Bulkeley,1999-09-16 This wide ranging exploration of the spiritual and scientific dimensions of dreaming offers new connections between the ancient wisdom of the world s religious traditions which have always taught that dreams reveal divine truths and the recent findings of modern psychological research Drawing upon philosophy anthropology sociology neurology literature and film criticism the book offers a better understanding of the mysterious complexity and startling creative powers of human dreaming experience For those interested in gaining new perspectives on dreaming the powers of the imagination and the newest frontiers in the dialogue between religion and science Visions of the Night promises to be a welcome resource

Dream Research Milton

Kramer, Myron L Glucksman, 2015-05-01 This edited volume shows the relationship between dream research and its usefulness in treating patients Milton Kramer and Myron Glucksman show that there is support for searching for the meaning of dream as experiences extended in time Dreaming reflects psychological changes and is actually an orderly process not a random experience Several chapters in this book explore interviewing methodologies that will help clients reduce the frequency of their nightmares and thus contribute to successful therapy *Find Your Passion: Discover Your Dream, Love Your Work & Build a Richer Life* Javier Reyes, 2025-09-05 Do you feel like you are just going through the motions in your career We are often told to follow your passion but almost no one explains how to actually find it This leaves millions of people feeling stuck and unfulfilled in jobs they do not enjoy They live for the weekends feeling a quiet sense that their time and talents are being wasted on work that lacks meaning Find Your Passion is a practical step by step guide to discovering what truly excites you This book is not about wishful thinking It provides a clear process for identifying your natural interests and strengths It then shows you how to connect them to a fulfilling career and build a richer more purposeful life This book will give you a clear plan to Use simple powerful exercises to uncover your core passions and skills Identify career paths and opportunities that you will find genuinely exciting Overcome the common fears and doubts that stop people from making a change Create an actionable plan to start building a career you can love Design a life where your work is a source of joy not just a paycheck Life is too short to spend forty hours a week doing something you do not care about This book is your map to a more meaningful future It will give you the clarity and the confidence to stop settling and start living To discover your dream and build a richer life click the buy button now [Dreams 1-2-3](#) J.
