Doughboys, the Great War, and the Remaking of America Jennifer D. Keene,2001 How does a democratic government conscript citizens turn them into soldiers who can fight effectively against a highly trained enemy and then somehow reward these troops for their service In Doughboys the Great War and the Remaking of America Jennifer D Keene argues that the doughboy experience in 1917 18 forged the U S Army of the twentieth century and ultimately led to the most sweeping piece of social welfare legislation in the nation s history the G I Bill Keene shows how citizen soldiers established standards of discipline that the army in a sense had to adopt Even after these troops had returned to civilian life lessons learned by the army during its first experience with a mass conscripted force continued to influence the military as an institution The experience of going into uniform and fighting abroad politicized citizen soldiers Keene finally argues in ways she asks us to ponder She finds that the country and the conscripts in their view entered into a certain social compact one that assured veterans that the federal government owed conscripted soldiers of the twentieth century debts far in excess of the pensions the Grand Army of the Republic had claimed in the late nineteenth century

ring He d worked his way up to only a couple of levels down from the ringleader Roberto Rojo Rodriguez when Mari posted a picture of him with their son Brody on social media identifying him as her husband He barely made it out alive the day he and his family were ambushed in a drive by ordered by Rojo to take him out With his cover blown and Brody now motherless he retired from the DEA and scrubbed all records of Michael Campbell from existence so he could safely raise his son with the help of his sister Cait As a parting gift the agency created a new identity for him using only his middle and last name In exchange for the anonymity Ian used his new job as a high school English teacher to funnel information back to his former partner on the lower level drug dealers in and around the San Diego schools Until the day he got word that Rojo Rodriguez had escaped when the rest of the major players in his cartel were captured in a raid in South Texas that is With limited resources keeping the DEA and local law enforcement from having someone in Heart s Destiny Texas actively looking for the cartel kingpin Ian moved there with his family to capture the man responsible for his wife s death Charlotte Burleson didn t know the new English teacher she had to work with was actually a friend of her brother Jake and a former undercover DEA agent She only knew him as a one night stand she thought she d never see again and the most infuriating man she d ever met After the most intense sexual experience of her life Charlotte woke up to an empty bed with no information on how to contact the mysterious Ian for another round Two weeks later he showed up at her family s late Christmas celebration and acted as if they d never met He continued the charade of not knowing her when he started working in the classroom next door to hers at the beginning of January Ian wasn t sure how to deal with finding out the hot as hell one night stand he had on the night he interviewed for his new job was with the sister of a man he d worked with on a joint task force a few years back and considered a friend He had to keep his cover and not let on to anyone in town that he knew Jake Burleson before moving there Not to mention the fact that he couldn t tell his friend Jake that he d slept with his sister So when the owner of the bed and breakfast where he and his family were staying until their rental was available for them to move insisted on taking them to a late Christmas celebration Ian pretended he d never met Jake or Charlotte When he started work and realized he was supposed to coordinate the seventh grade lesson plans with her Ian couldn t resist pushing her buttons to get a glimpse of the fiery passion he d seen on their one night together But even as hot as his time with Charlotte was he couldn t risk getting burned if Rojo Rodriguez caught wind of his presence in town and went after her the way he had Mari As danger loomed the couple fought their instant attraction and growing connection not realizing that standing together was the only way they could win in the end

Truth About the Tribulation James Lewis, 2020-10-28 Since I was in high school in the early sixties I heard that the tribulation could come at any time I was told nothing more needed to happen before the church was raptured I was told there was no mention of Christians after the third chapter of Revelation But I thought to myself if nothing is left why we haven't we been raptured About ten years ago I started serious research on the subject I found the answers were not as I was taught during my high school years The more I studied the more truth I found I decided to put what I learned into a book to teach others the real truth about the tribulation They say what you don't know can't hurt you I found out that's a lie There are things you need to know before the tribulation starts Dreams and Visions in Islamic Societies Özgen Felek, Alexander D. Remembering a Dream Francis J. Moloney,2024-04-01 In order to mark the bicentenary of the foundational dream that Saint John Bosco experienced when only nine years of age 1824 this book offers readers reflections on a number of biblical and theological themes that emerge from the simplicity yet depth of that dream In the first place certain elements from the life and person of Jesus are presented as the model for a so called Salesian spirituality and life style Those elements are outlined as an awareness that Jesus never abandons his fragile disciples and that a genuinely Christian education writes on the hearts of the young They are never abandoned in the challenging all pervasive secularity of contemporary society It closes with a summons to a deeper awareness of the universal possibility of the perfection of love as Saint Francis de Sales 1567 1622 taught well before his fellow Savoyard John Bosco 1815 1888
