

A person wearing a tan hoodie and a black beanie with a pom-pom is sitting cross-legged on a large, dark grey rock. They are looking out over a vast cityscape at sunset. The sky is filled with soft, white and grey clouds, and the city below is bathed in the warm, orange light of the setting sun. The overall mood is contemplative and serene.

Deferred, a Joy Achieved Charisse Nesbit,2007-12-04 A Dream Deferred a Joy Achieved is a positive look at the foster care system through stories of its survivors who show there is hope for the future even in a system often identified by abuse and neglect With a unique perspective this collection of inspiring stories is a testament to the fighting spirit of former foster children and an inspiration to others currently in the same situation to emerge from the system as successful productive members of society The stories are true to life sometimes painful yet full of hope revealing those who have graduated and gone on to make the most of their lives in spite of their challenging beginnings The stories within A Dream Deferred a Joy Achieved teach the important lesson that one should never give up even if circumstances aren't the brightest and opportunity isn't immediately present Those dreams will still be there in the future and it is up to the foster children to make the best of their current situations *My Paranormal Diaries* , *The Haunted Baronet* Joseph Sheridan Le Fanu,2015-10-17 The
