Passing and dribbling may put you in position for a great shot, but your players still have to make them. A small improvement in team shooting percentage can make a difference in the win column at the end of a season. Basketball shooting drills are a great way to improve your team's shooting and in the long run, the reliability of their shot. In this book, you will receive 29 different shooting categories with all of our shooting drills broken down into each specific category. These categories make it easy for you, as a coach, to find the specific drill and area that your team needs to work on. Whether it's zone shooting, floaters, or shooting off the dribble, and more, this book has it all. Coach Vann has developed the Shooting Drills playbook, a comprehensive reference where coaches will find everything that they need to develop their players into great shooters. Teach your players to take game shots at game spots, at game speed, and simulate those game-like situations today with the Shooting Drills Book. Features 1449 Pages, 29 Different Shooting Categories with all of our shooting drills broken down into each category. You will get drills that get players to take game shots at game spots, at game speed, and simulate game-like situations. We also break down drills into catch and shoot on the move, catch and shoot, and shooting shots off the dribble. Improve your players and your team's shooting.
