WALTER GASTON SHOTWELL

Author of "The Life of Charles,"
"The Civil War in America," etc.

This book contains papers upon a variety of subjects, some of these historical, others biographical, and still others offering entertainment for an idle hour. The one on "Laur" is a narrative of an effort by some German emigrants to establish themselves upon a community basis. That upon "Old Goshute" tells the story of the attempt to Christianize the American Indian and its tragic conclusion in the massacre of ninety-six of the converts by ruthless borderers.

The other papers are as follows: The Good Priest—William Hault—Logan, Chief of the Mingoes—My Dogs—Stanley, Lincoln's Secretary of War—Country Life—Angling—Bingham—Work.

American Founding Son Gerard N. Magliocca, 2016-03-15 John Bingham was the architect of the rebirth of the United States following the Civil War A leading antislavery lawyer and congressman from Ohio Bingham wrote the most important part of the Fourteenth Amendment to the Constitution which guarantees fundamental rights and equality to all Americans He was also at the center of two of the greatest trials in history giving the closing argument in the military prosecution of John Wilkes Booth s co conspirators for the assassination of Abraham Lincoln and in the impeachment of President Andrew Johnson And more than any other man Bingham played the key role in shaping the Union s policy towards the occupied ex Confederate States with consequences that still haunt our politics *American Founding Son* provides the most complete portrait yet of this remarkable statesman Drawing on his personal letters and speeches the book traces Bingham s life from his humble roots in Pennsylvania through his career as a leader of the Republican Party Gerard N Magliocca argues that Bingham and his congressional colleagues transformed the Constitution that the Founding Fathers created and did so with the same ingenuity that their forbears used to create a more perfect union in the 1780s In this book Magliocca restores Bingham to his rightful place as one of our great leaders *Appalachian Ohio and the Civil War, 1862-1863* Susan G.

Hall, 2015-08-13 The antebellum culture of Harrison County birthplace of George Armstrong Custer and the surrounding five county area of Appalachian east Ohio was an outspoken democratic society and a way station of the Underground Railroad for escaping slaves With the coming of the Civil War this community faced momentous change and bitter divisions This narrative history provides a portrait of the area and the ways in which the war affected everyone Portions of letters and diaries from the soldiers and those who loved them illustrations and maps are included *Stanton* Walter Stahr, 2017-08-08

Of the crucial men close to President Lincoln Secretary of War Edwin Stanton 1814 1869 was the most powerful and controversial Stanton raised armed and supervised the army of a million men who won the Civil War He organized the war effort He directed military movements from his telegraph office where Lincoln literally hung out with him Now with this worthy complement to the enduring library of biographical accounts of those who helped Lincoln preserve the Union Stanton honors the indispensable partner of the sixteenth president **American Book Publishing Record Cumulative,**

Robert E. Weir,2022-08-31 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute s list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor [American Folktales: From the Collections of the Library of Congress](#) Carl Lindahl,2015-03-17 This two volume collection of folktales represents some of the finest examples of American oral tradition Drawn from the largest

Stanton Benjamin P. Thomas,Harold M. Hyman,2013-07-31 At the time of his death renowned Lincoln biographer Benjamin Thomas was at work on a life of one of the most controversial figures in American history Edwin McMasters Stanton the man who marshaled the military forces of the Union in the Civil War and played a crucial role in the only presidential impeachment trial in our history Harold Hyman himself a prize winning historian undertook to carry on from the advanced point in research and writing that Thomas had reached The result of their collaborative efforts is a monumental work worthy to stand beside Thomas s own Lincoln as a truly outstanding American biography Continuously absorbing and written with clarity and grace Stanton gives an objective full scale portrait of this complex and enigmatic figure Stanton could be explosive and domineering or gentle or considerate he was at once single minded and self doubting That Stanton should be controversial is curious for he served with distinction under three Presidents Lincoln offered him unquestioning trust and warm personal friendship Yet Stanton s name is commonly associated with duplicity rather than with selfless patriotism including charges that he connived in Lincoln s murder betrayed each of the Presidents he served antagonized such generals as McClellan and Sherman and thwarted opportunities for the peaceful reconciliation of North and South This biography puts legend and prejudice in clear perspective by going directly to documentary evidence by probing into Stanton s motives and methods and by evaluating his accomplishments and failures It is a judicious and honest portrait of a stubborn dedicated man but it also brings to light many important details about the times in which he lived *Engineering News and American Railway Journal* ,1895 *Proceedings of the American Society of Civil Engineers* American Society of Civil Engineers,1896 *American Journal of Science* ,1896 *Essay and General Literature Index* Minnie Earl Sears,Marian Shaw,1931 **The American Journal of Science** ,1896 **The American Journal of Science** Mrs. Gambold,1896
