The Perfect Law of Love L. Lynn Derrick,2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subjectthe all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13 8 It s all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you *'The Real Scriptures' of God* James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and

assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language

Bible, Translated from the Latin Vulgate; Diligently Compared with the Hebrew, Greek, and Other Editions, in Divers Languages. ... ,1857 **Medical Times** ,1841 *The Holy Bible* ,1836 □□□ □□□□□□□□ HaDavar (The Word of □□□□)
 Daniel Perek,2022-03-14 Volume II HaDavar D var or The Word of Yah is a new translation of the scriptures The source text for the Tanak or Old Testament is the Masoretic Hebrew The source text for the Brit Khadashah is the Aramaic Peshitta texts of the New Testament This four volume set contains the Hebrew version of the Tanak from the Masoretic text and a new English translation of those texts with transliterations for Hebrew terms in an English friendly tone The author s purpose is to give a more accurate Hebrew Jewish rendering of the texts without giving up the beauty of Scripture for the English reader Volume 4 The Brit Khadashah is coming soon **Birds of Prey** Mary Elizabeth Braddon,1867 **Virgins, Harlots and Sex** David Chesney,2011-02-14 AN Earthy Look At Christianity Many biblical terms have a consistent symbolic significance from Genesis to Revelation eg nudity light and darkness virgins harlots Nudity occurs in three of the most significant events in the whole Bible and in every case it is best understood symbolically This book demonstrates that symbolism is so powerful it can for example change the status of Isaiah s virgin birth prophecy from an absurdity to an astonishing fulfilment of prophecy Harlots described in the book as God s warning lights also figure very prominently in the biblical coverage of both Jews and Christians Another key theme is to show that the raw seed concepts of the Hebrew Bible evolve so neatly into the Christian New Testament viewpoint over a 1000 years that readers may conclude uninspired biblical script writers could not have organized it Here are some quotes from the book that introduce intriguing and or provocative new trains of thought 1 If you think linking sex with religious experience is a bit rich then you need to do some more Bible study 2 Indulgence in adultery is the most obvious of the sins proscribed in the Ten Commandments that could trace directly to hormonal influences 3 Should we be joining Haters Anonymous Schadenfreude Anonymous or Egotists Anonymous in order to qualify for a better land and to actually enjoy it 4 Some of our excretory functions are less than ideal for a brand new earth the creator team could have done better by us if they wanted to 5 It is tacitly assumed God did not conduct experiments in His creation efforts No need to He knows the end from the beginning But Other challenging insights emerge in connection with Lot s use of his daughters as sex sops the possible symbolic significance of the Mosaic decree to cut off a lady s hand if she squeezed testicles the massaging of data in St Matthew s genealogies a religious uncertainty principle and the reason God doesn t do something to stop the frightful things happening in the world This is not a book built on hype and emotion It makes extensive use of scholarly sources but has a light hearted journalistic approach and is easy to read In exploring the spiritual import of sexual issues in nature and revelation it offers fresh perspectives on the bitter creation evolution debate the gross and genocidal behavior of the chosen people the currently unacceptable biblical restrictions on human sexual behavior and the decidedly low key role of women in organized religion Innovative succinct engaging thought provoking and sometimes shocking The Leisure Hour ,1876 **Friends' Intelligencer and Journal** ,1890
