Driving Challenge Dare To Be Safer And Happier On The Road:

Driving Challenge Phil Berardelli, 2011-09-10 20 000 Collisions Waiting to Happen That's what faces America's driving population each and every day No wonder An exploding population of poorly trained overconfident aggressive drivers cram themselves into a barely growing network of pavement That's why crashes shut down parts of our metropolitan arteries almost daily It's why bad weather always brings a spike in the number of incidents And it's why driving remains the most dangerous thing most of us do in our lives The Driving Challenge was written to help reduce the odds that you'll be involved in one of those 20 000 daily collisions It is drawn from Phil Berardelli's years of painstaking observations and research and from his own experiences as a reformed aggressive driver Just as in *Safe Young Drivers* his acclaimed book for parents and teens Phil provides sound advice and simple rules that can make a big difference in your safety starting with the next time you slip behind the wheel You can be safer and happier on the road All it requires is a willingness to change to refuse to accept the status quo on the roads any longer

The Driving Challenge Phil Berardelli, 2021-03-30 During 2020 when millions and millions of people obsessed sometimes to the point of outright panic over a contagious virus called COVID a different plague which had been gradually receding began re-emerging with a vengeance It turned out that 2020 was also a landmark year for deaths and injuries from highway collisions Both rose by stunning amounts over the previous year Overall the jump in highway deaths per miles traveled spiked by 24 percent the worst such figure in the entire century long history of such statistics Why did this happen It seems that as traffic diminished because of the country's limits on travel and business and social gatherings those who remained on the roads exhibited unrestrained boldness with tragic but predictable results In the 20 years since Phil

Berardelli first published *The Driving Challenge* experience has shown his safe driving techniques to be reliable and easy to follow Now with the carnage on our highways again spiraling upward drivers need Phil s advice perhaps more than ever So make a small investment in your safety take *The Driving Challenge* **The Driving Challenge** Phil Berardelli,2001-01-01
