Dropout Causes Cures:

The Dropout: Causes and Cures Lucius Ferdinand Cervantes, 1965 This book allows the dropout to speak for himself His views are compared with those of a high school graduate having the same I Q and similar social and economic background The reader is shown how these young people feel about their families friends and teachers providing insight into many of their basic emotions and attitudes

The Cause and Cure of Dropouts Arnold B. Skromme, 1998 Promotes the need to identify and develop not only IQ memory abilities in students but also creativity judgment and personality to improve self concept and avoid the dropout mentality

Dropouts From Schools Lois Weis, Eleanor Farrar, Hugh G. Petrie, 1989-11-01 The authors examine the major groups within the dropout population the myriad of factors within schools that lead to dropping out and the larger social and economic context within which dropping out occurs The resulting synthesis of knowledge and perspectives provided here will enhance our understanding of an important topic that has to this time been given too little attention

Dropout of Girl-child in Schools Lakshmi Jain, 2008 This book is a maiden publication based on research work in the field of women education It has implications reaching far beyond the city of Bareilly U P the area of field investigation A genuine attempt has been made to explore the diverse historical demographical socio psychological educational as well as economic dimensions of women education Very simple everyday down to earth happenings have been cited which will propel the readers and leaders to a higher level of both purpose and commitment towards enhancing women education A vivid description through ample illustrations like maps graphs tables and photographs has been made A detailed Bibliography and Questionnaire would help readers in further research A comprehensive subject index would facilitate easy reference A detailed study of government initiatives Five year plans and the current budget proposals has been made The idea behind the book is to respond to the two challenges of a increasing the availability of education by expanding the number of schools for girls or taking the schools to the un reached girls thereby increasing supply and b improving the accessibility of education by reducing costs thereby increasing demand

The Effect of Drug Abuse on the Black Community United States. Congress. House. Select Committee on Narcotics Abuse and Control, 1986

Rehabilitation of Individuals with Behavioral Disorders Richard R. Wolfe, 1971 This training manual was written by one of the Study Groups of the Seventh Institute on Rehabilitation Services in response to the desire of State vocational rehabilitation agencies to better understand behavioral disorders and what this provision means in terms of people to be served Experience of the program with behavioral disorders had not been great enough at the time the present manual was written to develop as most IRS manuals do specific guidelines for identifying and serving individuals with behavioral disorders However despite the lack of resolution of this topic discussion of issues presented in this guide will be of value as the State agencies continue to move to serving larger numbers of those with behavioral disorders
