Drowned Ecstatic And Earthy Reflections Of Bahauddin The Father Of Rumi:

The Drowned Book Coleman Barks, John Moyne, 2009-10-13 The Lost Words of the Sufi Master and Father of Rumi Bahauddin Rumi's father was not only a major force in the development of Islamic spirituality but also a deeply influential force in his son's life. In this the first ever substantial English version of a wonderful but virtually unknown book Bahauddin proves to be a daring spiritual genius. His voice comes through the delightful passionate craft of Coleman Barks who transforms the Persian translations of John Moyne into fresh spiritual literature. Translating Rumi into the West Amir Sedaghat, 2023-02-28 Focusing on Rumi the best selling Persian mystical poet of the 13th century this book investigates the reception of his work and thought in North America and Europe and the phenomenon of Rumimania to elucidate the complexities of intercultural communication between the West and the Iranian and Islamic worlds. Presenting tens of examples from the original and translated texts the book is a critical analysis of various dimensions of this reception outlining the difficulties of translating the text but also exploring how translators of various times and languages have performed and explaining why the quality of reception varies. Topics analysed include the linguistic and pragmatic issues of translation comparative stylistics and poetics and non textual factors like the translator's beliefs and the political and ideological aspects of translation. Using a broad theoretical framework the author highlights the difficulties of intercultural communication from linguistic semiotic stylistic poetic ethical and sociocultural perspectives. Ultimately the author shares his reflections on the semiotic specificities of Rumi's mystical discourse and the ethics of translation generally. The book will be valuable to scholars and students of Islamic philosophy Iranian studies and translation studies but will appeal to anyone interested in the cultural dichotomies of the West and Islam. **the Skills of Soul Rapture** Sufi Path of Love, 2018-05-27 Who better than Sultan Valad could explain to us the teachings of his father Rumi's eldest son was his intimate friend and confidant. For seventy years says Aflaki he illuminated the words of his father and master miraculous eloquent in deciphering the mysteries and interpretation. The Master awakens the sleepy soul of the student and allows him to climb the ascending steps to Paradise. He describes us the Skills of Soul Rapture. Mawlana Rumi himself says I have studied a lot of science and have worked hard to offer rare and valuable things to researchers and scientists who come to me it is God the Supreme who has decided so. And he said to his son O Bah ud Din my coming into this world has come to prepare yours for all the words that I say are speeches but you you are my action. It is a message for all times a revelation of wisdom for our time.
