Druid King:

The Druid King Norman Spinrad, 2003 Vercingetorix the great Gallic warrior was both a man of history and a man of myth Druid King of Gaul King of One Hundred Battles he was among Julius Caesar's greatest opponents his eventual defeat at Caesar's hands was said to prove Caesar's unstoppable power Yet Vercingetorix has remained to this day a French national hero And now he is the heart and soul of this enthralling and evocative historical novel Witness to his father's harrowing death Vercingetorix spends years deep in the forest living with the druids Although they raise him as one of their own his father's honor and the looming shadow of Rome force him to become a warrior After an ill fated alliance with Caesar he gathers the tribes of Gaul against law and custom into a single army ragtag but determined to face down the might of the Romans This dramatic and momentous life played against a brilliantly created background of the disparate worlds of Gallic and Roman soldiers is riveting The final battle that pits Vercingetorix's will against Caesar's own rounds out a novel that richly traces the arc of a hero's life and the origin of a legend The Kings of the Earth and the High Ones on High Allan Cornford, 2018-12-30 There is a war taking place for the souls of mankind which the majority fail to see having been blinkered by a fantasy world of falsehood materialism and toxic manufactured realities With this book I pass judgement on no man Nor do I attempt to determine the thoughts and sincerity of men both past and present whose actions and achievements have impacted world history I'm just piecing together man's satanic agenda to generate a return to the Golden Age The New World Order which will rise like a Phoenix from the ashes of World War III This includes a re look at the Genesis creation account the true design of the Earth the growth of false religion the Synagogue of Satan the coming delusion and certain end time prophecy **The Druid, a Tragedy in Five Acts** Thomas Cromwell, 1882 *The Magic Arts in Celtic Britain* Lewis Spence, 1999-01-01 Fascinating painstakingly researched study of occult beliefs and practices in Celtic Britain with intriguing discussions of the origins of the Druids Arthurian cults the mystery of the Holy Grail Celtic spells and charms black magic the Celtic spirit world with its populations of banshees leprechauns brownies and a host of lesser phantoms and many other topics A compelling erudite study that will appeal to anthropologists folklorists and anyone interested in the customs and spiritual life of Britain's ancient Celts **The Heart of the Forest** Abi Cooper, 2021-07-07 The Heart of the Forest Book One of the Dragon Valley Series By Abi Cooper The amulet of the last queen was meant to be a symbol of hope and unity Shattered in the devastating war brought on by ancient monsters the pieces representing the seven races were divided amongst their people becoming broken reminders of the past Now with yet another war looming on the horizon old foes are rising once again to finish what they had started The resurgence of dark power causing a shift in the valley A young woman must restore the amulet if there is to be peace in the land once again But to do so she will first have to find the lost pieces and uncover the truth of its nature The fate of the world depends on it but will it be enough to stop the demon who stands against her With the help of new friends as well as old enemies she just might have a chance The Druid: a Tragedy, in
