

Development of Drums Timeline

5500 BC

Alligator skins were first used to make drums during this time. It was first made in **Neolithic cultures in China**, but over the next few thousand years, the knowledge spread to the rest of Asia.

3000 BC

Dong Son drums were made in the northern part of Vietnam.

Between 1000 BC to 1500 AD

- Tako Drums went from Japan to China.
- African drums became very popular in Greece & Rome.
- The Crusades opened up trade routes in the Mediterranean, which made it possible for influences from the Middle East, India, Africa, and Asia to spread to Europe.
- African drums were brought to the Americas through the slave trade.

Between 1650 AD to 1890 AD

- The first snare drum was made in 1650 AD.
- Bongos became more widely used in Cuban folkloric music.
- The snare, kettle drum, gong, whip, vibraphone, triangle, marimba, & tambourine were the most popular percussion instruments of the Classical period that came into use.
- In 1890, drums came with a drum set & foot pedals.

From the 1900s to modern times

- Hi-hat stands began to be used regularly & Drum sets got fancier & bigger.
- The Swedish band Asocial was the first to use the last beat drumming technique.
- Drums quickly became popular & more bands started using them.

Becoming a One Person Band Ronald J. Plachno, 2014-05-11 This book *Becoming a One Person Band* gives advice and tips on how to help a person to go from being a keyboard player or perhaps other musician to becoming a one person band of 4 or even as many as 16 instruments This approach does require a home recording studio and some information is provided in this book on possible approaches However there are of course many ways to do a home recording studio and so this book concentrates more on technique and how perhaps to determine what notes or chords to play What do you need A recording studio of

course But also a desire to become your own one person band as a hobby or even more than a hobby And while a musician who only plays guitar or non keyboards may go a distance into becoming your own band keyboard background would be even more helpful What kind of keyboard background would a person need If a person has experience with piano organ or accordion or simply a modern day keyboard or keyboard controller and has one already that would be a great start Why the emphasis on keyboards Modern day midi systems or DAW Digital Audio Workstations often take their inputs from keyboards and with that can create many sounds and also sound effects Yes much can be done with guitars and perhaps just writing notes in for other parts but keyboard experience is a great help What talent is needed It would be hard for me to define that I never felt that I was anything special and yet I have accomplished a number of one person band songs with as many as 15 parts and also enjoyed doing it Of course if you have something of a music and band background and also some music theory background it is of course a big help I do wish you the very best in your music endeavor and hope that this book is at least a little helpful to you and your dreams or hobby Ron Plachno author Primary Science Kit Rosemary Sherrington,2002 Devised to help teachers of primary science in schools This title offers a two year age band structure correlation to the QCA Scheme of Work and recommended teaching times The Overview page is to introduce the themes in the unit Review page is meant to assess learning The Teacher Resource Books contain structured lesson plans *Drums and Drum Ensembles along the Great Silk Road* Xiao Mei,Gisa Jähnichen,2022-01-21 This volume comprises fifteen selected papers in five chapters from the 27th ICTM Colloquium on Drums and Drum Ensembles along the Great Silk Road It testifies to how human cultures are never created in seclusion The richness of drums and drum ensembles including their repertoires are also connected to long term exchanges in military affairs trades and religions of various peoples Despite the obvious prevalence of drums among all peoples around the world their understanding and their repertoires vary due to different contexts The studies of music originating on the Silk Road presented in this volume pay particular attention to the multiple flows of knowledge between numerous distinctive regions in the narrower geographical and temporal scope All about Jembe Kalani,2002 In depth coverage of popular percussion instruments including history tuning maintenance techniques exercises ensembles and more from a world renowned educator and performer Kalani Each book comes with an enhanced CD featuring additional multimedia content including demonstrations of all rhythms and techniques and tuning instructions **The Drummer's Studio Survival Guide** Mark H. Parsons,1996 The Drummer s Studio Survival Guide is an updated and expanded version of author Mark Parson s informative 13 part In the Studio series from Modern Drummer magazine Topics include preparing one s drums for recording drum miking the use of outboard equipment interacting with producers and engineers and other information vital to any drummer entering the studio whether for the first time or as a veteran **The Chemical Trade Journal and Chemical Engineer** ,1925 *Sounds of Secrets* Raymond Ammann,2012 Double flute shoulder flute and large standing slit drums with carved decorations are only a few of the unique musical instruments used in the islands of Vanuatu

In many ways the people of this South Pacific archipelago live according to their traditional cultures and conduct their rituals and ceremonies as their great grandfathers had This book deals comprehensively with traditional musical instruments and their role and function in ceremonies on Vanuatu Music dance and musical instruments are not only means to highlight certain moments in ceremonies but help to set up an entire network of secrets The field notes personal opinions and ideas that are documented in this book are the result of an intensive study of over 20 years on music in south Melanesia This is the first reference book on the music of Vanuatu that constitutes an invaluable source for musicologists and anthropologists alike and it will surprise general readers with its interesting and lively accounts Series SoundCultureStudies KlangKulturStudien Vol 7
