Santino,2016-04-30 Signs of War and Peace focuses on the role public display plays in the conflict in Northern Ireland In doing so it ranges freely over other times places and events that shed light on the social and political processes and dynamics involved in public display traditions such as the Saint Patrick s Day parades in Boston Massachusetts and the popular spontaneous shrines to Lady Diana in London The book is about the nature of public display its relationships to class based aesthetics tradition and

popular style It is also about contest conflict and civil war and the ways the former are intimately intertwined with the latter both in Northern Ireland and elsewhere throughout the world The work is interdisciplinary combining ethnographic anthropological folkloristic and performance studies approaches The manuscript benefits from large amount of field work in Ireland and as a result contains both ethnographic data and revealing interviews with many people in Northern Ireland who have participated in the display events Santino seeks to analyze The perspective that Santino offers helps to explain the intensity of the conflict as well as the origination motivations and justifications of bonfires murals commemorative displays parades etc that symbolically articulate what he terms the dual master narratives that underlie and in many ways help to articulate the parameters of that conflict

Drums and Drum Ensembles along the Great Silk Road Xiao Mei, Gisa Jähnichen, 2022-01-21 This volume comprises fifteen selected papers in five chapters from the 27th ICTM Colloquium on Drums and Drum Ensembles along the Great Silk Road It testifies to how human cultures are never created in seclusion The richness of drums and drum ensembles including their repertoires are also connected to long term exchanges in military affairs trades and religions of various peoples Despite the obvious prevalence of drums among all peoples around the world their understanding and their repertoires vary due to different contexts The studies of music originating on the Silk Road presented in this volume pay particular attention to the multiple flows of knowledge between numerous distinctive regions in the narrower geographical and temporal scope
