Drums Of War:

The Drums of War Henry De Vere Stacpoole, 1912 **The Antique Drums of War** James H. McRandle, 1994 Historian McRandle contends that war is a deep rooted human institution like marriage and food sharing that depends on ritual and myth He began his inquiry after being struck by the similarity of letters from common soldiers as long as 2 000 years ago and has mustered evidence from psychological concepts literature and studies of animal behavior He suggests that soldiers raping conquered women rather than an atrocious side effect of war may be its fundamental purpose Annotation copyright by Book News Inc Portland OR

Drums of War, Drums of Development: The Formation of a Pacific Ruling Class and Industrial Transformation in East and Southeast Asia, 1945-1980 Jim Glassman, 2018-08-13 In Drums of War Drums of Development Jim Glassman analyses the geopolitical economy of industrial development in East and Southeast Asia during the Vietnam War era showing how it was shaped by the collaborative planning of US and Asian elites Challenging both neo liberal and neo Weberian accounts of East Asian development Glassman offers evidence that the growth of industry the East Asian miracle was deeply affected by the geopolitics of war and military spending the East Asian massacres Thus while Asian industrial development has been presented as providing models for emulation Glassman cautions that this industrial dynamism was a product of Pacific ruling class manoeuvring which left a contradictory legacy of rapid growth death and ongoing challenges for development and democracy Shortlisted for the 2019 Deutscher Memorial Prize

The Drums of War, 2017 **The Drums of War** J. G. SARASIN (pseud.), 1956 **Drums of Mer** Ion Idriess, 2018-10-01 To one who for a good many years has lived among the tropic isles of Torres Strait and whose constant regret has been that their romantic attractiveness is so little known even to Australians the Drums of Mer comes with very strong appeal There are some who may think that Mr Idriess is giving us simply an imaginative picture but the author has travelled the Strait with the discerning eye and contemplative soul of the artist who is satisfied only with first hand colour and who while blending history and romance with subtle skill at the same time keeps within the region of fact The records and documents placed at his disposal by those who have patiently collected them in the interests of history of ethnological and scientific research and if one may be allowed to say so even of missionary theological science also provide the rich store

upon which he has drawn for the thrilling story he has woven round the people of Mer and the other islands of Torres Strait We have been waiting for someone to catch the charm and appealing mysteriousness of these islands and to visualize the days not so very long past when the great outrigger canoes with their companies of feather bedecked headhunters traversed the opalescent waters a couple of hundred miles down the Barrier to return perhaps with cowering white captives or grim human trophies for the ceremonies of the Au gud Au Ai the Feast of the Great God And if it seems that the starkness of tragedy throws a cloud here and there over the dramatic episodes which the author has so well narrated possibly it is a good thing for present day tourist travellers and others too to realize that a trip along the Barrier and through the Strait on the way to China was not always so free from danger from Foreword by Wm H MacFarlane Mission Priest Torres Strait Administrator of the Diocese of Carpentaria 31 July 1933

The Drums of the 47th Robert Jones Burdette,2000 This eloquent memoir records the Civil War experiences of Robert J Burdette private in the 47th Illinois Infantry Regiment From Peoria to Corinth from Corinth to Vicksburg up the Red River country down to Mobile and Fort Blakely and back to Tupelo and Selma the 47th marched three thousand miles during Burdette s tour from March 1862 to December 1864 In a literate voice rare in war memoirs Burdette speaks of comradeship built and tested the noise and confusion of the battlefield the conflicting feelings of witnessing a military execution Both nostalgic and piercingly immediate his remembrances evoke the sights sounds smells and above all the inner feelings stirred up by war from exuberance to terror and from patriotic fervor to compassion for a fallen enemy Originally published on the eve of another great conflict in 1914 The Drums of the 47th is a moving depiction of the inner life of the common soldier Like Stephen Crane s The Red Badge of Courage Burdette s book puts a human face on the war and his words speak to all who have served or imagined serving under fire The introduction by John E Hallwas provides a biographical sketch of Burdette and a commentary on his engaging Civil War memoir

Drums of War George Ernest ROCHESTER,1957 **The Karen Bronze Drums of Burma** Richard Cooler,2023-12-21

The Karen Bronze Drums of Burma defines the development of the Karen Bronze Drums Heger Type III during the past eight hundred years as the continuation by a hill tribe group of the earlier Dong Son tradition Its chronological development is traced through seven stages by applying a method of intensive motivic analysis to data collected from 370 drums Four new subtypes are defined and their interrelationships are demonstrated by use of tables figures and plates The meaning of these motivic changes together with early accounts of Karen culture are used to establish that the drums were symbolically a magic pond that the Karen ritually manipulated to assure prosperity

On The Art of War Sun Tzu, Sun Tz went on When I say Eyes front you must look straight ahead When I say Left turn you must face towards your left hand When I say Right turn you must face towards your right hand When I say About turn you must face right round towards the back Again the girls assented The words of command having been thus explained he set up the halberds and battle axes in order to begin the drill Then to the sound of drums he gave the order Right turn But the girls only burst out laughing Sun Tz said If words of command are not clear and distinct if orders are not thoroughly understood then the general is to blame So he started drilling them again and this time gave the order Left turn whereupon the girls once more burst into fits of laughter Sun Tz said If words of command are not clear and distinct if orders are not thoroughly understood the general is to blame But if his orders are clear and the soldiers nevertheless disobey then it is the fault of their officers So saying he ordered the leaders of the two companies to be beheaded Now the King of Wu was watching the scene from the top of a raised pavilion and when he saw that his favourite concubines were about to be executed he was greatly alarmed and hurriedly sent down the following message We are now quite satisfied as to our general s ability to handle troops If We are bereft of these two concubines our meat and drink will lose their savour It is our wish that they shall not be beheaded Sun Tz replied Having once received His Majesty s commission to be general of his forces there are certain commands of His Majesty which acting in that capacity I am unable to accept Accordingly he had the two leaders beheaded and straightway installed the pair next in order as leaders in their place When this had been done the drum was sounded for the drill once more and the girls went through all the evolutions turning to the right or to the left marching ahead or wheeling back kneeling or standing with perfect accuracy and precision not venturing to utter a sound Then Sun Tz sent a messenger to the King saying Your soldiers Sire are now properly drilled and disciplined and ready for Your Majesty s inspection They can be put to any use that their sovereign may desire bid them go through fire and water and they will not disobey But the King replied Let our general cease drilling and return to camp As for us We have no wish to come down and

inspect the troops Thereupon Sun Tz said The King is only fond of words and cannot translate them into deeds After that Ho Lu saw that Sun Tz was one who knew how to handle an army and finally appointed him general In the West he defeated the Ch u State and forced his way into Ying the capital to the north he put fear into the States of Ch i and Chin and spread his fame abroad amongst the feudal princes And Sun Tz shared in the might of the King The Silent Drum Of Freedom C C Muller , In a world without sound every touch every vibration is a symphony Set against the harsh backdrop of colonial Martinique between 1674 and 1718 The Silent Drum of Freedom tells the gripping tale of Joseph a deaf maroon leader who becomes the heartbeat of a revolution Born into slavery Joseph perceives the world through the vibrations of a drum guiding him on a path of resistance and hope As he grows he leads daring escapes and secret gatherings uniting his people in their fight for freedom against ruthless overseers and guards With every silent beat of the drum Joseph s people move closer to liberation but also deeper into danger Faced with unrelenting pursuit and impossible odds they embark on a perilous journey toward their ancestral homeland in Africa In this epic tale of courage sacrifice and resilience The Silent Drum of Freedom reveals the unbreakable spirit of a people determined to reclaim their destiny A story of survival bravery and the quest for freedom this novel is a tribute to the forgotten voices of history whose fight for justice echoes through the ages Join Joseph and his followers on this extraordinary path where every heartbeat resonates with the promise of liberation Don t miss your chance to experience this gripping tale of resilience Order your copy today and be part of their journey **The Dance of Words** K.G.
