by transforming the spiritual ideas of an ancient faith into contemporary language Here there are stories and fables that illuminate our complicated lives meditations from the depths of human experience and a gallery of unforgettable images that speak to our souls during times of loss Rabbi Lamm s words will help all who walk the path of grief to find their way to consolation and then beyond to an appreciation of the blessings and opportunities that present themselves to us when we confront loss And they can even take us further to discover the celebrated Jewish art of wringing blessing out of tragedy
