

"Anna Chave is Brancusi's best biographer and personally adds the most cutting of the sculptor. Anna Chave is the first author to make 'brancusi' work as a word and inevitably pointed out that a common misconception is that male and female Brancusians are often inseparable. She also places the Brancusians in their context in the Parisian avant-garde, and provides a rich social and cultural context for an art whose intensity will no longer be regarded as a separate issue to 'readability'." — David L. Johnson, *New York Times* (July)
