Guide to Winning Clients David A. Fields, 2017-03-21 This deeply insightful guide to understanding what clients really want is an indispensable resource for consultants Keith Ferrazzi 1 New York Times bestselling author of Never Eat Alone

Independent consulting is a potentially lucrative enterprise but the reality seldom matches the dream Most solo consultants and boutique consulting firms are perpetually within six months of bankruptcy due to the sputtering unreliability of their new business engines The problem according to international consulting expert David A Fields is twofold 1 lack of a consistent proven plan and 2 fundamental misunderstanding about what clients want in a consultant Fields who has helped hundreds of consultants and boutique firms worldwide build profitable sustainable practices replaces the typical consultant's mindset of emphasizing expertise and differentiated processes with a focus on building relationships engendering trust and solving clients existing problems In The Irresistible Consultant's Guide to Winning Clients Fields synthesizes his decades of experience into a step by step approach to winning more projects from more clients at higher fees From nuts and bolts business advice and tactics to a deeply insightful breakdown of the human side of a very human profession Fields named one of Advertising Age magazine's Marketing Top 100 delivers a comprehensive guidebook that is at once highly approachable and satisfyingly detailed If I could have just one book on client strategy this book would be it Marshall Goldsmith 1 New York Times bestselling author of Triggers

The Unabashed Librarian, 1999 **Integrated Organisational**

Communication Rachel Barker, George Charles Angelopoulos, 2005-08 This work adopts a multidisciplinary approach to corporate communication including management communication public relations organizational behavior and change marketing communication and advertising The many faceted approach adopts the perspective of a practicing communications professional emphasizes corporate branding and focuses on an integrated approach to communication

Consultants Guide to Corporate Communication Dinesh Bhargava, 2025-02-20 Consultants Guide to Corporate Communication addresses the unique communication challenges consultants face from their first client engagement Whether in professional services accounting technology operations human resources manufacturing or marketing consultants drive

constant change that must be communicated clearly to various audiences through diverse mediums While most business communication books cover basics like audience organization formatting and mechanics few focus specifically on consultants This book guides current and aspiring consultants through all project phases offering practical advice on written and oral communication Each chapter is detailed and knowledgeable helping consultants write and present to clients team members managers and partners It also provides insights on using technology for effective business communication Emphasizing the importance of understanding client needs and crafting feasible solutions the book ensures readers gain a solid grasp of corporate communication in consulting It s a valuable resource for new and seasoned consultants seeking to enhance their communication skills and project success
