chance for Nigerians to realize the promises of political and religious salvation made during the colonial and postcolonial eras Her astute analysis of this religious trend sheds light on Nigeria s contemporary politics postcolonial statecraft and the everyday struggles of ordinary citizens coping with poverty corruption and inequality Pentecostalism s rise is truly global and Political Spiritualities persuasively argues that Nigeria is a key case in this phenomenon while calling for new ways of thinking about the place of religion in contemporary politics      **Narrative Therapy** Catrina Brown,Tod

Augusta-Scott,2006-08-03 This volume is especially useful in demonstrating the effects of placing social discourses at the center of therapy It goes many sacred cows of the larger modernist therapeutic community but in doing so it offers new ideas for mental health professionals attempting to help their clients with common and serious life problems PSYCRITIQUES This compilation is an insightful read for practitioners who have not taken the opportunity to use narrative therapy in practice Experienced practitioners will certainly appreciate the theoretical analysis offered by the writers as well as the opportunity for reflective practice Narrative Therapy is a meaningful contribution to a Canadian book market lacking in clinical literature for social workers CANADIAN ASSOCIATION OF SOCIAL WORKERS Narrative Therapy Making Meaning Making Lives offers a comprehensive introduction to and critique of narrative therapy and its theories This edited volume introduces students to the history and theory of narrative therapy Authors Catrina Brown and Tod Augusta Scott situate this approach to theory and practice within the context of various feminist post modern and critical theories Through the presentation of case studies Narrative Therapy Making Meaning Making Lives shows how this narrative oriented theory can be applied in the client therapist experience Many important therapeutic situations abuse addictions eating disorders and more are addressed from the narrative perspective Rooted in social constructionism and emerging initially from family therapy narrative therapy emphasizes the idea that we live storied lives Within this approach the editors and contributors seek to show how we make sense of our lives and experiences by ascribing meaning through stories which themselves arise within social conversations and culturally available discourses Our stories don t simply represent us or mirror lived events they actually constitute us shaping our lives as well as our relationships Narrative Therapy will be a valuable supplemental textbook for theory and practice courses in departments of Counseling and Psychotherapy and of Social Work as well as for courses in Gender and Women Studies      *Bread for the Journey* Anthony J.
