

THE RATIONALE

The consuming public has rights and those who provide them with services are....

- a) Duty-bound/obliged to ensure that they are aware of these rights and uphold them
- b) Aware that any failure to do so will result in corrective and even punitive measures being taken
- c) Aware that these rights are constant and universal...
- d) The market cannot remain a jungle in which the consumer is consistently the prey of choice.

Consuming Public Services
