Contemplating Christ Vincent Pizzuto, 2018-03-26 The incarnation has made mystics of us all What if we read the gospels as if that were true In his book *Contemplating Christ* Vincent Pizzuto offers an exploration of the interior life for modern contemplatives that is as beautiful as it is compelling With an emphasis on the gospels and Christian mystical tradition his book explores ancient themes in new and surprising ways Drawing on his rich experience as an academic and priest Pizzuto gradually unfolds the Christian mystery of deification to which the whole of biblical revelation and the Christian contemplative life are ordered through the incarnation we have all been made other Christs in the world **Jesus in Christian Devotion and Contemplation** Irénée Noye, 1974 Within the pages of this book we see Christ as he was contemplated and proclaimed adored loved and imitated for sixteen centuries It is an introduction to the history of contemplation and devotion to the humanity of Jesus from Patristic times to the foundation of the Carmelite school of spirituality in the 16th century The book also gives a panoramic vision of that Christian spirit of creativity which resulted in a rich variety of forms of devotion to Jesus which might inspire us to be creative in our turn *Christ Contemplated from Birth to Baptism: in Ten Discourses* Duncan Ogilvie (A.M.), 1866 **Love Remains** Jeff Hood, 2016-12-06 Love Remains is a collection of Dr Hood's prophetic writings from 2014-2015 *The BOD3Y of Christ as God Intended* Kimberley Woods, 2022-11-03 aEURoeGuys come on There is work to do and I need your help aEUR Just like the popular wristband aEURoeWhat would Jesus do aEUR we must ask ourselves the same question Let aEURtm's make disciples The BOD3Y is my personal story to true freedom My real life experiences are laid out here to assist with personal liberation as God intended Enjoy aEURKim WoodsLife with faith in something bigger than yourself can yield great rewards We have all seen on the news and in our lives how life without faith and service to a higher power can cause us to cling on to things that do not matter We end up creating prisons for ourselves and our families We are called to set the captives free and give an example to love unfiltered We are given the example of the women caught in adultery We were shown that love covers a multitude of wrongs and that we all have fallen short BOD3Y is a path for anyone stuck in their past It is a tool that anyone can use to be set free Kim Woods left a successful business career to pursue the visions for her life From starting with a small business designed to provide jobs for rehabilitated adults to returning to a business career out of fear to being laid off for the first time to starting another small distributor business Kim surrendered her life to Jesus Christ Amen Through bouts of fear and uncertainty she had a wilderness experience that helped to focus her efforts to help set the captives free BOD3Y is not only for Christians but BOD3Y is also for anyone seeking to be free from a life that is empty void and without meaning Come on now Disciples of the Risen Christ Carlo M. Martini, 2016 The Life of Jesus Christ in Its Historical Connexion and Historical Development August Neander, 1870 Morning Homilies II Pope Francis, 2015-09-21 Shepherds and Fishermen Raniero Cantalamessa, 2020-11-27 2021 Catholic Media Association Award third place award in church professional Fr Raniero

Contemplative Ethics Dennis Joseph Billy, 2011 This book seeks to respond to the challenge put forth by the late Pope John Paul II to all the Catholic faithful to put out into deep water *Duc in altum* by contemplating the face of Christ as they navigate the waters of the new millennium It brings the discussion about the relationship between spirituality and morality to a deeper level of theological discourse by looking at the common ground shared by the action of contemplation and the spiritual moral life Its aim is to incorporate a contemplative attitude toward life into the methodology discourse and way of thinking of Catholic moral theology After developing a contemplative methodology for the Catholic spiritual moral life it applies this approach to moral discernment to the Eternal Word the Incarnate Word Jesus life and ministry his suffering and death and his risen life It then offers concrete guidelines for the spiritual moral life that flow directly from this contemplative approach to the mysteries of Christ To engage its readers at a still deeper level it offers a series of reflection questions and practical exercises at the end of each chapter The book emphasizes the close bond between contemplation and action for Christian living and highlights how immersing oneself in the mystery of Christ affects the way a person thinks about the nature and scope of his or her action in the world
