Contemporary Ceramics:

Contemporary British Ceramics and the Influence of Sculpture Laura Gray, 2018-01-02 This book investigates how British contemporary artists who work with clay have managed in the space of a single generation to take ceramics from niche interest craft to the pristine territories of the contemporary art gallery This development has been accompanied and perhaps propelled by the kind of critical discussion usually reserved for the higher discipline of sculpture Ceramics is now encountering and colliding with sculpture both formally and intellectually Laura Gray examines what this means for the old hierarchies between art and craft the identity of the potter and the character of a discipline tied to a specific material but wanting to participate in critical discussions that extend far beyond clay *Contemporary British Ceramics* Ashley

Thorpe, 2021-09-27 Ceramics is one of the most vibrant and engaging fields of contemporary British art This lavishly illustrated book reviews the work of twenty two artists and celebrates their contribution to its rich landscape Written from a collector's point of view it explores what contemporary ceramic objects can mean what emotions they evoke and how artists draw upon different facets of the art and crafts worlds in their work A vital visual and critical resource Contemporary British Ceramics showcases British ceramics as a compelling interdisciplinary practice attuned to the contemporary world Featuring more than 280 images it encourages readers to look beneath the surface to discover the vibrant contribution that British ceramics makes to the broad field of contemporary art **Contemporary Clay and Museum Culture** Christie

Brown, Julian Stair, Clare Twomey, 2016-06-17 This groundbreaking book is the first to provide a critical overview of the relationship between contemporary ceramics and curatorial practice in museum culture Ceramic objects form a major part of museum collections with connections to anthropology archaeology and other disciplines that engage with the cultural and social history of humankind In recent years museums have provided the impetus for cutting edge artistic practice either as a response to particular collections or as part of exhibitions But the question of how museums have staged contemporary ceramics and how ceramic artists respond to museum collections has not been the subject of published research to date This book examines how ceramic artists have over the last decade begun to animate museum collections in new ways and reflects on the impact that these new initiatives have had in the broad context of visual culture Ceramics in the Expanded Field is the culmination of a three year AHRC funded project and reflects its major findings It brings together leading international voices in the field of ceramics research undertaken throughout the project and papers delivered at the concluding conference By examining the benefits and constraints of interventions and the dialogue between ceramics and museological practice this book will bring focus to an area of museology that has not yet been theorized and will contribute to policy debates and art practice *Contemporary Ceramics* Emmanuel Cooper, 2009-09-22 A comprehensive worldwide survey with over 600
