## **Constitutional Predicament Canada After The Referendum Of 199:**

**Constitutional Predicament** Curtis Cook,1994 This collection of essays by prominent Canadian political scientists and philosophers examines why the Charlottetown Accord failed to resolve Canada s constitutional problems and explains the design and fate of the accord as reflected in the theories and political forces that framed it **Changing Federal**

**Constitutions** Arthur Benz,Felix Knüpling,2012-05-30 This book analyses constitutional change in federal and decentralizing countries from a comparative perspective The authors identify structures processes and strategies which have proven to favour successful constitutional amendment Thereby the book enables public officials scholars and students to learn from the constitutional reform experiences of other federal democracies and from practical suggestions how future reforms could be designed From the Contents The Relevance of Constitutional Change Constitutional Reform in Co operative Federalism Constitutional Reform in Federal Systems with Divided Societies Devolution and Regionalisation in Federalising States Processes of Ratification Evolution after a Constitutional Reform Conclusion *Québec Studies* ,1997 **Law and**

**Aboriginal Peoples in Canada** David William Elliott,1997 **Language, Democracy, and the Paradox of Constituent Power** Catherine Frost,2021-04-19 In this book Catherine Frost uses evidence and case studies to offer a re examination of declarations of independence and the language that comprises such documents Considered as a quintessential form of founding speech in the modern era declarations of independence are however poorly understood as a form of expression and no one can completely account for how they work Beginning with the founding speech in the American Declaration Frost uses insights drawn from unexpected or unlikely forms of founding in cases like Ireland and Canada to reconsider the role of time and loss in how such speech is framed She brings the discussion up to date by looking at recent debates in Scotland where an undeclared declaration of independence overshadows contemporary politics Drawing on the work of Hannah Arendt and using a contextualist comparative theory method Frost demonstrates that the capacity for renewal through speech arises in aspects of language that operate beyond conventional performativity **Language Democracy and the Paradox of Constituent Power** is an excellent resource for researchers and students of political theory democratic theory law constitutionalism and political history **Canadian Books in Print** ,1997 Plaidoyer pour le Québec Daniel

Nunavut proposal to create an Inuit homeland through division of the Northwest Territories Political Science Abstracts, 1997 Constitutional Predicament Curtis Cook, 1994-05-16 Canada's fifth effort at mega constitutional politics was a period of popular discussion and leadership negotiation that ran from the defeat in 1990 of the Meech Lake Accord through the Charlottetown Accord and the referendum of 26 October 1992 Constitutional Predicament explores the referendum in relation to the democratic process nationalism Canadian Aboriginal Qu'becois and pluralism principles of constitutionalism constitution making and popular participation in constitution making the role of the Charter and Supreme Court future constitutional efforts and worldwide trends The contributors agree that Canadian voters rejected the Charlottetown proposals because they disapproved of both their content and the procedure by which they were drawn up They conclude that while Quebec remains the chief problem for the Canadian constitution Quebec was not the sole constitutional issue or the sole issue which determined how Canadians voted The constitutional process did help make it apparent that Canada is multinational and that each of the three major nations has valid claims on the political system The contributors offer contrasting views on how the Charlottetown Accord came to read as it does why negotiators at Charlottetown so misjudged public opinion and the prognosis for further constitution making Readers may also see the referendum vote as a preview of the vote in the general election of October 1993 which unseated the Tories one year later almost to the day Taken together with the accompanying provocative commentaries the essays will be of specific interest to students of Canadian politics and constitutional affairs The complete text of the Charlottetown Accord is included in an appendix The contributors and commentators are Janet Ajzenstat Alan C Cairns Curtis Cook Barry Cooper Peter Emberley David Hendrickson Robert J Jackson Juan Lindau F L Morton Alain No 1 and James Tully **The Economist**, 1961-03 The Charlottetown Accord, the Referendum, and the Future of Canada York University (Toronto, Ont.). Centre for Public Law and Public Policy, Robarts Centre for Canadian Studies, Osgoode Hall Law School, 1993-11-23 In the Fall of 1992 public events in Canada reached a climax that had far reaching effects for the future of the country For the first time in their history Canadians were asked to give their approval to a sweeping set of constitutional proposals in a national referendum The first serious and informed analysis of these proposals took place at a conference at York University that September Sponsored by the Centre for Public Law and Public Policy and the Robarts Centre for Canadian Studies at York University the conference drew major speakers including Peter Lougheed former premier of Alberta Peter Hogg of Osgoode Hall Law School Judy Rebick president of the National Action Committee on the Status of women Senator Gerald A Beaudoin Professor Ronald Watts of Queen's University Michael Adams of Environics Research Group Jeffrey Simpson of the Globe and Mail Reg Whitaker of York University Maude Barlow National Chairperson Council of Canadians David Elton president of Canada's West Foundation and Raymond Giroux of Le Soleil among others The papers of the conference most of which were later revised in light of the 26 October referendum results present a record of Canadian thought during a period of profound national change They are grouped here

under such topics as The Reform of Central Institutions The Division of Powers Distinct Society Aboriginal Rights and Fundamental Canadian Values The Referendum and The Future of Canada In this book leading scholars government decision makers interest groups and journalists come together to debate the country s future Their papers provide an independent and informed analysis of the choices confronting Canadians at a decisive moment in their collective history     **The Referendum Papers** C.D. Howe Institute,1999 The Razor Thin Outcome of the October 1995 Referendum in Quebec was a jarring wake up call for English Canada forcing Canadians outside Quebec to confront the unthinkable This collection of papers by leading academics and analysts offers the most thorough examination yet of the main issues arising for the country out of the October referendum It considers not only what might be done to help the country survive but what should be done if it doesn t The book is divided into two parts the first focussing on ways to improve the social political and economic union of Canada The second confronts head on the possibility of Quebec separation and discusses the terms and processes of Quebec s possible departure As the recent Supreme Court decision made clear the time for reasoned negotiation with a soon to be independent Quebec may come Although committed to keeping the country together all the contributors to this volume share a commitment to democracy and the peaceful resolution of conflict The individual papers go beyond analysis to provide a clear set of proposals for action and change Originally commissioned by the C D Howe Institute the papers provide the first real blueprint for thinking about the unthinkable As such this collection will be of great interest to anyone concerned about the future of Canada and the future of Quebec     *Intergovernmental Relations in Canada: Struggle over the Constitution* Ronald James Zukowsky,1981     **Trudeau and the End of a Canadian Dream** Guy Laforest,1995-03-06 In 1982 Prime Minister Pierre Trudeau realized his life s ambition the patriation of the Canadian constitution and the enshrinement of a Charter of Rights and Freedoms At the same time he dealt a severe blow to his arch enemies the nationalists in Quebec who believed that a significant and rewarding partnership with Canada was possible without renouncing their identity as Quebecers Laforest reveals that Trudeau betrayed the trust of the people of Quebec during the 1980 referendum on sovereignty association and contends that the whole patriation exercise completed without the consent of Quebec is not legitimate in that province He also holds Trudeau responsible for the ultimate rejection of the distinct society clause in the Meech Lake Accord which had given a glimmer of hope to Quebec federalists Trudeau and the End of a Canadian Dream shows how constitutional reform and the political culture it fostered shattered the hopes of those who believed that being both a Canadian and a Quebecer was possible     Reimagining Canada Jeremy H. A. Webber,1994 Webber begins by showing how different conceptions of culture language and nation shaped Canada s constitutional negotiations from 1960 until the referendum of 1992 He then calls for a reconception of the terms of the debate claiming that the terms now used often borrowed from quite different societies have made resolution of the constitutional issues more difficult He rejects the language of nation and nationalism and the tendency towards exclusiveness implicit in that language arguing for a Canadian

community founded not on a rigid set of shared values but on shared debates and shared engagements through time Recognizing that Canadians belong simultaneously to the larger community and to other more local communities each generating its own sense of allegiance Webber describes how their relationships are shaped by institutional linguistic and cultural factors and notes that these multiple influences produce an asymmetrical structure He maintains that this structure should be reflected in an asymmetrical constitution and can be accommodated without undermining individual rights Webber offers both an overview of the constitutional negotiations and a set of reflections on the appropriate relationship between culture language and political community in Canada These reflections while rooted in the Canadian context hold lessons for other pluralistic federations or for nations confronting similar issues of cultural accommodation **Letting the People Decide : a Canadian Constitutional Referendum** Ploeg, Casey Vander, Canada West Foundation, Canada West Foundation.
