The Constitutional History of England Frederic William Maitland, 2001 Originally published Cambridge Cambridge University Press 1908 xxviii 547 pp Although Maitland never intended to publish these lectures they have long been regarded as one of the best introductions to the English Constitution Delivered in the winter of 1887 and spring of 1888 and edited and published in 1908 by one of Maitland's students Herbert A L Fisher they cover the period from 1066 to the end of the nineteenth century Rather than a narrative historical format they focus on describing the work of the constitution during five distinct moments in English history 1307 1509 1625 1702 and 1887 They provide an entry to some of the major concepts he later expounded in his seminal work written with Sir Frederick Pollock *The History of English Law* Widely considered the father of modern legal history FREDERIC WILLIAM MAITLAND 1850 1906 was an English jurist and historian best known for *The History of English Law Before the Time of Edward I* 1895 written with Sir Frederick Pollock He was educated at Eton and Cambridge and studied at Lincoln's Inn London Maitland was called to the bar in 1876 and practiced until 1884 when he became a reader in English law 1884 and professor 1888 at Cambridge He founded the Selden Society in 1887 Hailed for his original outlook on history his works had a profound influence on legal scholarship and remain important today

The Constitutional History of England Frederic William Maitland, 1920-03-01 Constitutional history should to my mind be a history not of parties but of institutions not of struggles but of results F W Maitland's remarkable course of lectures provides the basic framework of English constitutional history in a brief but original scholarly and very readable form His method is to take five crucial periods and to present in each a panoramic view of the processes of law and government his attention is always fixed on the constitution as a growing fabric as something devised and employed by live human beings And in this work as in all he subsequently wrote Maitland shows a rare combination of high speculative power with exact knowledge of detail
