Building the Cold War Annabel Jane Wharton, 2001 In postwar Europe and the Middle East Hilton hotels were quite literally little Americas For American businessmen and tourists a Hilton Hotel with the comfortable familiarity of an English speaking staff a restaurant that served cheeseburgers and milkshakes trans Atlantic telephone lines and most important air conditioned modernity offered a respite from the disturbingly alien For impoverished local populations these same features lent the Hilton a utopian aura The Hilton was a space of luxury and desire a space that realized permanently and prominently the new and powerful presence of the United States Building the Cold War examines the architectural means by which the Hilton was written into the urban topographies of the major cities of Europe and the Middle East as an effective representation of the United States Between 1953 and 1966 Hilton International built sixteen luxury hotels abroad Often the Hilton was the first significant modern structure in the host city as well as its finest hotel The Hiltons introduced a striking visual contrast to the traditional architectural forms of such cities as Istanbul Cairo Athens and Jerusalem where the impact of its new architecture was amplified by the hotel s unprecedented siting and scale Even in cities familiar with the Modern the new Hilton often dominated the urban landscape with its height changing the look of the city The London Hilton on Park Lane for example was the first structure in London that was higher than St Paul s cathedral In his autobiography Conrad N Hilton claimed that these hotels were constructed for profit and for political impact an integral part of my dream was to show the countries most exposed to Communism the other side of the coin the fruits of the free world Exploring everything the carefully drafted contracts for the buildings to the remarkable visual and social impact on their host cities Wharton offers a theoretically sophisticated critique of one of the Cold War s first international businesses and demonstrates that the Hilton s role in the struggle against Communism was as Conrad Hilton declared significant though in ways that he could not have imagined Many of these postwar Hiltons still flourish Those who stay in them will learn a great deal about their experience from this new assessment of hotel space

Identity Construction and Tourism

Consumption Erdal Arslan, İnci Oya Coşkun, 2022-10-26 This book explores how identity plays a pivotal role in tourism consumption Almost all tourism related consumption studies underestimate or refer inadequately to identity s relationship

with tourism consumption As identity phenomenon is considerably a new subject in the tourism literature this book examines its relationship with the consumption theory It is of interest to readers curious about how pre during and post consumption activities affect a person s identity and vice versa This book contains an analysis of consumption theories and a summary of literature identifying the phenomenon s evolution through pre modern modern and post modern periods In this context this book aims to enlighten the interactions between identity construction and tourism consumption The grounded theory one of the qualitative research approaches was applied to accomplish the relevant purpose and in depth interviews were recruited following the method approach stages to enable the researchers to gain new insights into the subject By presenting the identity tended tourism consumption model this book provides a set of profound contributions to the relevant literature and insight for practitioners decision makers and entrepreneurs This book attempts to clarify the tourists consumption process and understand how the interactions between identity construction and tourism consumption work The qualitative methodology grounded theory allows in depth analysis and insights of the participants of the study on their definitions of themselves as human beings and as tourists decisions on their travel plans their considerations motivations to travel and destination preferences interactions with others vacation activities evaluations on their travel experiences et cetera

Therefore this book appeals to readers of marketing business operations sociology and economics **Leisure in Contemporary Society** Kenneth Roberts, 2006-01-01 In Western societies leisure has been a major force in changing people s lives The containment of working time and the rise in spending power have been long term trends and are likely to continue over the next decades While growth of leisure may not have eradicated differences by social class gender or age it has transformed how these differences are expressed challenged or modified In parallel leisure studies has itself developed significantly as an academic discipline This second edition is a complete rewrite of the first edition published in 1999 It is an introductory undergraduate text on leisure It has a sociological perspective and discusses recent debates and research on topics such as post modernity consumer cultures and lifestyles

Liquid Modernity Zygmunt Bauman, 2013-07-10 In this new book Bauman examines how we have moved away from a heavy and solid hardware focused modernity to a light and liquid software based modernity This passage he argues has brought profound change to all aspects of the human condition The new remoteness and unreachability of global systemic structure coupled with the unstructured and under defined fluid state of the immediate setting of life politics and human togetherness call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history This book is dedicated to this task Bauman selects five of the basic concepts which have served to make sense of shared human life emancipation individuality time space work and community and traces their successive incarnations and changes of meaning Liquid Modernity concludes the analysis undertaken in Bauman s two previous books Globalization The Human Consequences and In Search of Politics Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original
