Contemporary Creed A Minicourse In Christianity:

Contemporary Creed John Morris, 2005 *Contemporary Creed* translates ancient beliefs into today's language Recognizing that faith goes beyond proof Dr Morris points an intelligent pathway through sixty intellectual problems of traditional Christian beliefs

Contemporary Creed John Morris, 2012-05-16 Unlike Richard Dawkins the Revised Edition

Contemporary Creed sees no conflict between evolution and God faith and modern science But what sort of God creates a violent universe with a Big Bang almost 14 billion years ago and appears to do little or nothing to prevent built in suffering and natural disasters like earthquakes famines disabled children and cancers The Christian God leaves a lot unexplained Some writers give superficial answers whereas Morris who helps care for his own handicapped grandson gets to the root of difficulties and succeeds in finding credible pathways through sixty problems of Christian beliefs and ethics He writes for believers and unbelievers for Christians like himself who admit their doubts and for atheists and agnostics interested in life's big questions His unusual format of 90% prose and 10% original poetry is entertaining and the style straightforward everyday language offering conclusions that are often open ended undogmatic His systematic theology becomes a brief A-Z that may be read in any order for individual Bible study or by house groups that want a provocative structure for lively discussion

Suffering John Morris, 2016-01-29 Don't blame legendary Adam or Dawkins Suffering is unavoidable in God's best possible free world where evolution's gains outweigh losses **Joyce in the Belly of the Big Truck; Workbook** Joyce
