Contemporary Jewish Writing in Switzerland Rafa?l Francis David Amadeus Newman, 2002-01-01 This anthology features an eclectic mix of eighteen modern works by a selection of Switzerland's heterogeneous community of Jewish writers Questions about Jewish identity and the legacy of the Holocaust remain current and controversial in Switzerland because of the country's now well publicized economic involvement with Hitler's Germany and the scandal that erupted when the purported Holocaust memoir of Binjamin Wilkomirski was revealed to be a hoax This collection includes an excerpt from a novel by Daniel Ganzfried the journalist who exposed the Wilkomirski Affair two chilling counterfactual accounts of a Nazi occupied Switzerland by television scriptwriter Charles Lewinsky an epistolary satire of contemporary Swiss and Jewish life by Sergue Hazanov a Russian Jewish immigrant lyrical evocations of exile by Gabriele Markus a memoir by renowned theatre director Luc Bondy strikingly harsh portraits of contemporary European life from painter and performance artist Miriam Cahn and a screenplay about the Holocaust and Jewish refugees in Switzerland by Swiss filmmaker Stina Werenfels Surprising in its diversity and sometimes disturbing in its preoccupations this anthology will make it hard to generalize about Jewish life in Switzerland or to think in polarities such as Switzerland and the Jews Contemporary Jewish Writing in **Britain and Ireland** Bryan Chevette, 1998-01-01 Contemporary Jewish Writing in Britain and Ireland presents a wide range of writers some at the heart of British culture others outside the mainstream who address the issue of Jewish cultural difference in Great Britain and Ireland Editor Bryan Chevette has assembled a striking roster of writers whose extraordinary imagination and understanding of Jewish experience in Britain and Ireland have transformed English literature in recent decades They include established figures like Anita Brookner Harold Pinter and George Steiner as well as such vibrant new voices as Elena Lappin Jonathan Treitel and Jonathan Wilson As Cheyette argues the contemporary British Jewish writers in this volume defy the authority of England and the Anglo Jewish community All are risk takers who will eventually help replace narrow national narratives and gendered identities with a broader more plural diasporic culture Bryan Cheyette is a professor of English and drama at Queen Mary and Westfield College University of London He is the author of Construction of the Jew in English Literature and Society Racial Representations 1875 1945 Contemporary Jewish Writing in Sweden Peter Stenberg, 2004-01-01 This book brings together for the first time the works of Jewish authors writing in Swedish who describe the special circumstances confronting Jews in the twentieth century in Sweden and Scandinavia During the Second World War Sweden's small long established and well assimilated Jewish community was never subject to the open and ultimately fatal ethnic identification that most European Jews suffered Older and middle aged Swedish born Jewish authors tend to think of themselves only as Swedes Within the last few decades however Sweden has become an immigrant country and a younger generation writes from a different perspective Twenty of the twenty two authors represented in this anthology are still very active and many of the pieces were written in the last fifteen years Each work chosen illustrates some aspect of

Jewish identity in Sweden either today or in the course of a century in which Sweden played a crucial controversially neutral role in a war that had a catastrophic impact on Europe and led to the near annihilation of the European Jews This volume provides the complex historical framework in which these events occurred and elucidates the role played by the largest Scandinavian country within it Contemporary Jewish Writing in Sweden brings together superb work by major writers in one of Europe's foremost national literatures and includes the first English translation of an excerpt from Peter Weiss's recently Yearbook of Comparative and General Literature, 2001 discovered 1957 Swedish novel The Cambridge History of the English Short Story Dominic Head, 2016-11-14 The Cambridge History of the English Short Story is the first comprehensive volume to capture the literary history of the English short story Charting the origins and generic evolution of the English short story to the present day and written by international experts in the field this book covers numerous transnational and historical connections between writers modes and forms of transmission Suitable for English literature students and scholars of the English short story generally it will become a standard work of reference in its field Multiculturalism to Hybridity Karin Baumgartner, Margrit Zinggeler, 2010-09-13 From Multiculturalism to Hybridity New Approaches to Teaching Switzerland places Switzerland within the context of transnational labor migration and examines how this German French Italian and Romansh speaking nation is being transformed by the influx of migrants from all over the world who now constitute a fifth of the population This dynamic mixture of cultures and races is embodied by a new generation of citizens who call themselves Secondas and Secondos the second generation Today Switzerland is leading all industrial nations in growth potential and economic benefits from migration OECD The articles in this volume analyze the challenges successes and ongoing struggles Switzerland experiences with migration focusing specifically on what it means to shape a nation state by political will rather than linguistic and cultural unity From Multiculturalism to Hybridity also offers teaching suggestions for the French German and Italian language and literature classroom as well as for courses in Social Cultural and Political Studies Articles address the hybrid literatures and cultures of Switzerland including films pageants smellscapes and women s issues and place Switzerland in the context of a unifying European continent Readers will find ideas and resources for critically investigating and teaching the concepts of cultural hybridity and transculturalism in the high school and college classroom Yale Companion to Jewish Writing and Thought in German Culture, 1096-1996 Sander L. Israeli and Palestinian Receptions invites the reader to view classical antiquity through the writings of poets translators and scholars emerging from modern Jewish diasporas Mandatory Palestine and the State of Israel who engaged with Greek and Roman literary precedents Whereas these voices have up to now been mostly studied independently of one another as separate fields of research this volume brings some of these distinct voices who nevertheless share a connection to Greco Roman antiquity into conversation with one another Taking its cue from the crisis of humanism following the Holocaust the chapters take as their themes the destruction of home displacement and different forms of wandering and homecomings drawing connections to acts of translation and transmission of the classics to form a picture of cultural and textual states of alterity The volume shows that Jewish Israeli and Palestinian responses to the classics are entangled and even complementary despite their different trajectories. The chapters included here focus particularly on critical moments in Jewish and Palestinian existence when the reception of classical humanism is closely linked to issues of survival On offer here is a historically grounded investigation into the ways Jews Israelis and Palestinians have used classical antiquity and classical philology to validate their identity in a rapidly changing society Counting the Miracles: Jewish Thought, Mysticism, and the Arts from Late Antiquity to the Present Silvana Greco, Judith Olszowy-Schlanger, 2025-05-19 In honor of the writings of Giulio Busi scholar of Jewish culture the book investigates from a multidisciplinary perspective the extraordinary richness of Jewish culture in the Diaspora from antiquity to the latter part of the 20th century A number of rabbinic writings medieval manuscripts from the South of France visual gabbalah the Yiddish language artistic expressions as well as the philosophical and social traditions of some prominent twentieth century figures will be explored While the Jewish cultural tradition has always incorporated the cultural influences of the broader socio historical context in which it was embedded it has in turn been a source of inspiration for the intellectual lite of the majority society. In this regard the volume will examine the fruitful mutual exchange between Jewish scholars and Christian humanists during the Renaissance However the life of Jews in the Diaspora did not always take place in a context of peaceful integration It was punctuated by harsh confrontations and persecution Finally the book will illustrate how precisely during the darkest and most tragic period of the 20th century Jewish culture was an important tool of resistance and struggle against Nazi Fascism World Literature Today ,1985
