Contemporary Quebec Criticism:

Contemporary Quebec Criticism Larry Shouldice, 1979-12 This is the first collection translated into English of what critics are saying in French about Quebec writing. Ten carefully selected articles are arranged under the heading of backgrounds and themes and genres. All are general in scope rather than focusing on the work of particular writers; they present a broad view of Quebec literature and culture and give a representative sampling of the concerns and approaches of Quebec critics over the last twenty years. In the introduction, Larry Shouldice traces the origin and evolution of Quebec criticism, past and present trends, and changing direction. He also discusses the importance of nationalism in Quebec writing and outlines the relationship between Quebec literature and other national literatures, particularly that of France. A selected bibliography suggests sources for further reading. No study of French Canadian literature can be completely without reference to the rich and diverse body of criticism that has developed along with it. This is a unique introduction for English speaking readers, one that should be required reading for all courses in Canadian literature and culture. *Contemporary Quebec Criticism* Larry Shouldice, 1979. New Contexts of Canadian Criticism Ajay Heble, Donna Palmateer, Pennee, J.R. Struthers, 1997-04-18. Times change, lives change, and the terms we need to describe our literature or society or condition change with them. What Raymond Williams calls keywords change with them. Perhaps the most significant development in the quarter century since Eli Mandel edited his anthology *Contexts of Canadian Criticism* has been the growing recognition that not only do different people need different terms, but the same terms have different

meanings for different people and in different contexts Nation history culture art identity the positions we take discussing these and other issues can lead to conflict but also hold the promise of a new sort of community Speaking of First Nations people and their literature Beth Brant observes that Our connections are like the threads of a weaving While the colour and beauty of each thread is unique and important together they make a communal material of strength and durability New Contexts of Canadian Criticism is designed to be read to work in much the same manner **Quebec Since 1930** Paul-André Linteau, René Durocher, Jean-Claude Robert, François Ricard, 1991-01-01 List of Tables List of Maps List of Figures Preface PART 1 THE DEPRESSION AND THE WAR 1930 1945 Introduction Quebec in 1929 The Depression A Troubled Period The Second World War **World Encyclopedia of Contemporary Theatre** Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the series **The Cambridge Companion to Canadian Literature** Eva-Marie Kröller, 2017-06-08 A fully revised second edition of this multi author account of Canadian literature from Aboriginal writing to Margaret Atwood Encounters with Quebec Susan L. Rosenstreich, 1998 Examines works of Québécois narrative fiction from a variety of perspectives **Contemporary Quebec** Michael D. Behiels, Matthew Hayday, 2011-11-30 In the last seventy years Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America In Contemporary Quebec leading scholars raise provocative questions about the ways in which Quebec has been transformed since the Second World War and offer competing interpretations of the reasons for the province's quiet and radical revolutions **Quebec Cinema in the 21st Century** Michael Gott, Thibaut Schilt, 2024-02-06 This collection of ten chapters and three original interviews with Québécois filmmakers focuses on the past two decades of Quebec cinema and takes an in depth look at a primarily Montreal based filmmaking industry whose increasingly diverse productions continue to resist the hegemony of Hollywood and to exist as a visible and successful hub of French language and ever more multilingual cinema in North America This volume picks up where Bill Marshall's 2001 Quebec National Cinema ends to investigate the inherently global nature of Quebec's film industry and cinematic output since the beginning of the new millennium Through their analyses of contemporary films Une colonie Avant les rues Bon cop bad cop Les Affamés Tom la ferme Uvanga among others directors including Xavier Dolan Denis Côté Sophie Desrues Chloé Robichaud Jean-Marc Vallée and Monia Chokri and genres such as the buddy comedy and the zombie film our authors examine the growing tension between Quebec cinema as a national cinema and as an art form that reflects the transnationalism of today's world a new form of fluidity of individual experiences and an increasing on screen presence of Indigenous subjects both within and outside the borders of the province The book concludes with specially

Literature and Painting In Quebec William J. Berg,2013-02-04 This unique study explores how Quebec s landscapes have been represented in both literature and visual art throughout the centuries from the writing of early explorers such as Cartier and Champlain to work by prominent contemporary authors and artists from the province William J Berg traces recurrent images and themes within these creations through the most significant periods in the development of a Quebecois identity that was threatened initially by the wilderness and indigenous populations and later by the dominance of British and American influences Focusing on the interplay between nature and culture in landscape representation Literature and Painting in Quebec contends that both have reflected and fashioned the meaning of French Canadian nationhood As such Literature and Painting in Quebec presents a new perspective to approach the notion of national identity a quest that few groups have engaged in more persistently than the Quebecois
