

Guide to making notes for Unit 7 Contemporary Issues in Science

The exam is composed of two parts:

Section A - you are provided with 3 articles. You are required to prepare 4 sides of comprehensive notes during 6 hours of supervised study. You are allowed to use internet access to further research areas you have identified when reading through the articles. You are allowed to make additional notes when conducting the research, but this needs to be condensed to fit on the 4 sides of A4. These notes need to be made independently and can be requested by the exam board to view if required. These notes will then be locked away in the exam office and are given to you on the day of the second part of the exam.

Section B - This is a 2.5 hour written exam which is supervised by external invigilators under exam conditions. You will be provided with your notes that you made during section A, and the 3 articles are at the back of the exam booklet

Section A – what to include in your notes

Question 1. (1 hour 30 or 1hour 50 extended time)

Discuss the implications of the scientific issue identified in the articles (12marks)

Identify the contemporary issue then construct a table similar to that one below:

	Advantages			Disadvantages		
	Article 1	Article 2	Article 3	Article 1	Article 2	Article 3
Social

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
