Contemporary Turkish Politics Challenges To Democratic Consolidation

Tarlan Masmaliyeva

Contemporary Turkish Politics Challenges To Democratic Consolidation:

Contemporary Turkish Politics Ergun Özbudun, 2000 Since 1945 Turkey has witnessed no fewer than three breakdowns of the democratic process 1960 1971 and 1980 and three retransitions to democracy 1961 1973 and 1983 In this text the author analyzes 50 years of Turkish politics and provides a theoretical and comparative perspective

Contemporary Turkish Politics Ergun Özbudun, 2000 Democratic Consolidation in Turkey Müge Aknur, 2012 Although Turkey began its transition to democracy as early as the 1950s it is still far from having reached a level of consolidated democracy with the country's sixty year history of democratic politics being punctuated by numerous breakdowns and restorations of democracy In an attempt to examine why consolidation of Turkish democracy has taken so long this book aims at analyzing various factors including state political parties civil society civil military relations socio economic development the EU as an international actor and the rise of internal threats political Islam and separatist Kurdish nationalism that both hinder and enhance democratic consolidation in Turkey By highlighting the strengths and shortcomings of the Turkish experience from these perspectives this book suggests the optimal policy priorities for current and future Turkish governments to establish a consolidated democracy in Turkey Contributors Müge Aknur Canan Aslan Akman Filiz Baskan Gulgun Erdogan Tosun Siret Hursoy Aysegul Komsuoglu Gul M Kurtoglu Eskisar Yesim Kustepeli Nazif Mandaci Ibrahim Saylan Ugur Burc Yildiz **Southern European Parliaments in Democracy** Cristina Leston-Bandeira, 2015-04-24 Southern European Parliaments in Democracy analyses the development of the parliaments of Greece Italy Portugal Spain and Turkey since the mid 1980s This book considers the challenges of the transition to democracy and outlines how the Parliaments of Southern Europe have adapted to the pressures of a democratic polity Its focus is an assessment of the main changes that have taken place since the periods of transition to democracy right up to the present day Chapters are country specific and consider a variety of indicators from legislation and scrutiny to the social background of MPs This book was previously published as a special issue of the Journal of Legislative Studies **Turkish Politics and the Rise of the AKP** Arda Can Kumbaracibasi, 2009-09-10 The Justice and Development Party AKP has been in power since 2002 This book is the first book length analysis to chart the rise and development of the party from its Islamist roots through to government analysing in particular its internal organisation and dynamics Since its foundation in 2001 the AKP seems to have been more successful than any other party with an Islamic background in the history of the Turkish Republic Drawing on interviews and analyses of quantitative data from primary and secondary sources the author examines the party's character as an organisation its internal power structure its electoral roots strategy and leadership in the context of its organisational environment including its constitution major veto players as well as international actors Going beyond a mere analysis of Turkish politics and parties this book applies classical theories and models on political parties to the Turkish case Focusing on the notion of institutionalisation and its two main dimensions autonomy and systemness it makes an original contribution

to both the empirical study of the AKP contemporary Turkish Politics and the general discussion on theories of party organisation

The Politics of Turkish Democracy John M. VanderLippe, 2012-02-01 One of the most significant yet least known periods of modern Turkish history is that of Turkey's second president smet n n Following the death of Mustafa Kemal Atatürk in 1938 Turkish politicians and intellectuals struggled to redefine Kemalist notions of modernity and democracy Islam and secularization the role of the state and Turkey's place in the world The Politics of Turkish Democracy examines n n s presidency 1938-1950 which developed amid the crises

of World War II and the Cold War global economic and political transformation and economic and social change within Turkey John M VanderLippe analyzes the political discourse of the era and argues that n n was a pivotal figure who played the decisive role in Turkey s transition to a multi party political system *Egypt After Mubarak* Bruce K. Rutherford,2008-12-14 Egypt s autocratic regime is being weakened by economic crises growing political opposition and the pressures of globalization Observers now wonder which way Egypt will go when the country s aging president Husni Mubarak passes from the scene will it embrace Western style liberalism and democracy Or will it become an Islamic theocracy similar to Iran Egypt after Mubarak demonstrates that both secular and Islamist opponents of the regime are navigating a middle path that may result in a uniquely Islamic form of liberalism and perhaps democracy Bruce Rutherford examines the political and ideological battles that drive Egyptian politics and shape the prospects for democracy throughout the region He argues that secularists and Islamists are converging around a reform agenda that supports key elements of liberalism including constraints on state power the rule of law and protection of some civil and political rights But will this deepening liberalism lead to democracy And what can the United States do to see that it does In answering these questions Rutherford shows that Egypt s reformers are reluctant to expand the public s role in politics This suggests that while liberalism is likely to progress steadily in the future democracy s advance will be slow and uneven Essential reading on a subject of global importance Egypt after Mubarak draws upon in depth interviews with Egyptian judges lawyers Islamic activists politicians and businesspeople It also utilizes major court rulings political documents of the Muslim Brotherhood and the writings of Egypt s leading contemporary Islamic thinkers **Turkey's Difficult Journey to Democracy** İler Turan,2015 Turkey s Difficult Journey to Democracy provides a thorough examination of the evolution of Turkey s democracy to the present day After the Second World War Turkey was considered to have made a highly successful transition from a single party authoritarian state to political competition Yet within ten years Turkey had experienced its first military intervention During the next forty years the country vacillated between democratic openings and direct or indirect military interventions The ascendance in the importance of questions of economic prosperity has helped the deepening and maturing of Turkish democracy but some impediments persist to produce malfunctions in the operation of a fully democratic system Through studying the Turkish experience of democratization Turkey s Difficult Journey to Democracy seeks to provide understanding of the challenges countries that are trying to become democracies encounter in this process Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford Turkey's Democratization Process Carmen Rodriguez,Antonio Avalos,Hakan Yilmaz,Ana Planet,2013-10-30 Since

the end of the 1980 coup d'état Turkey has been in the midst of a complex process of democratization Applying methodological pluralism in order to provide a comprehensive analysis of this process in a Turkish context this book brings together contributions from prominent Turkish English French and Spanish scholars Turkey's Democratization Process utilises the theoretical framework of J J Linz and A C Stepan in order to assess the complex process of democratization in Turkey This framework takes into account five interacting features of Turkey's polity when making this assessment namely whether the underlying legal and socioeconomic conditions are conducive for the development of a free and participant society if a relatively autonomous political society exists whether there are legal guarantees for citizens freedoms if there exists a state bureaucracy which can be used by a democratic government and whether the type and pace of Turkish economic development contributes to this process Examining the Turkish case in light of this framework this book seeks to combine analyses that will help assess the process of democratization in Turkey to date and will be of interest to scholars and researchers interested in Turkish Politics Democratization and Middle Eastern Studies more broadly

EU Influence Beyond Conditionality Mario Zucconi, 2019-09-03 This book presents an in depth analysis of the role played by the EU accession process in Turkey's democratic evolution and in the empowerment of the Justice and Development Party AKP in the early 2000s Often moving against the grain of consolidated analytical positions the author finds that the accession process can have a critical impact on the political evolution and institutional setting of an aspiring member state that goes well beyond the simple Europeanization process or EU accession conditionality In the case of Turkey that process created the essential conditions and environment for the country's political modernization by helping the emergence of a periphery including Kurds conservative Muslims and non Muslims that secularism had pushed into a marginal secondary status in Turkish society Turkey's gradual evolution in an authoritarian direction following the stalling of the EU accession process offers further proof of the decisive role that the EU accession can play in a country's democratic advancement The book additionally indicates how Turkey's EU driven democratic evolution for a number of years had important implications in terms of regional and global order

Ruling But Not Governing Steven A. Cook, 2007-05 Ruling but not governing a logic of regime stability The Egyptian Algerian and Turkish military enclaves the contours of the officers autonomy The pouvoir militaire and the failure to achieve a just mean Institutionalizing a military founded system Turkish paradox Islamist political power and the Kemalist political order Toward a democratic transition weakening the patterns of political inclusion and exclusion

The Political Economy of Turkey Zülküf Aydın, 2004-12-20 Since the 1970s Turkey has faced some of the most serious crises since the Republic was established in 1923 This book analyses the political and socio economic problems faced by Turkey in recent decades and the country's gradual integration into the global economy Social unrest political and ethnic violence paralysis of the state bureaucracy and other institutions increasing foreign debt decreasing economic growth vast inflation and increasing unemployment have all been part of everyday life in Turkey's recent history Zulkuf Aydın argues

that this state of affairs is symptomatic of a deeper more enduring crisis arising from the way in which Turkey has been integrated into the global economy Looking at democracy repression the military the Kurdish question and regional inequalities civil society human rights and Islamic fundamentalism in Turkey he shows how Turkey has become reliant on foreign investment and international financial institutions offering a broader critique of globalisation in this light

Negotiating Political Power in Turkey Elise Massicard,Nicole Watts,2013 This book examines how individuals and groups within particular political parties in Turkey gain influence and control over party resources and decision making and relatedly to examine party relationships with non party actors particularly social groups and identities to study how parties and groups within parties interact with gain strength from and compete with non party players in their quest for control over local and national political landscapes

Religion, Politics, and Turkey's EU Accession D. Jung,2008-09-29 This book brings together historians political scientists social anthropologists and legal scholars from Turkey and the EU The authors address questions such as the role of religion in EU membership debates religious parties in Turkey and Europe religion and European security freedom of religion and minority rights in Turkey and the EU

The Mobilization of Political Islam in Turkey Banu Eligür,2010-04-12 The Mobilization of Political Islam in Turkey explains why political Islam which has been part of Turkish politics since the 1970s but on the rise only since the 1990s has now achieved governing power Drawing on social movement theory the book focuses on the dominant form of Islamist activism in Turkey by analyzing the increasing electoral strength of four successive Islamist political parties the Welfare Party its successor the Virtue Party and the successors of the Virtue Party the Felicity Party and the Justice and Development Party This book which is based on extensive primary and secondary sources as well as in depth interviews provides the most comprehensive analysis currently available of the Islamist political mobilization in Turkey

Turkey and the European Union Ali Carkoglu,Barry Rubin,2004-11-23 These papers examine the history behind Turkey s application for EU membership The contributors tackle the thorny issues of Cyprus Turkey s attitude towards a common defence policy and Turkish parliamentarians views on the nation s relations with the European Union

Alternatives to Imprisonment in England and Wales, Germany and Turkey Öznur Sevdiren,2011-02-24 The book focuses on one of the most problematic areas of Turkish penal justice the overreliance on custodial measures and a corresponding growth in the prison population and compares Turkey with two major European countries in this respect England and Wales and Germany The underlying question throughout the study is the extent to which prison alternatives can be seen as genuine alternatives to immediate custodial sentences

Turkish Secularism Tarlan Masmaliyeva,2023-12-14 There are any number of studies on Turkish secularism However to date there has never been a comprehensive analysis of the constitutional protection of secularism one that systematically covers all relevant aspects Addressing that gap this book presents a comprehensive and coherent analysis of the constitutional framework of this principle within the Turkish legal system Secularism is a common fundamental principle of all three Turkish constitutions 1924 1961 1982 The principle has

been granted an irrevocable status and has been strictly constructed within the Turkish constitutional system. Despite the guarantee of irrevocability, however, its interpretation and application have undergone a drastic transformation in response to changing social and political circumstances. Today, the complaints filed before the domestic and international judiciary predominantly concern the Turkish State's neutrality and impartiality towards religion and the exercise of freedom of religion by religious minorities. While many observers have interpreted these problems in light of the contemporary policies pursued in the field of religion, a closer look reveals that the problem lies deeper in Turkey's general constitutional framework. While the 1982 Constitution declares the principle as an unamendable characteristic of the Republic and protects it with multi-layered mechanisms, certain anti-democratic features of the Constitution, including the President's predominant role in forming the high-ranking judiciary, affect the proper and consistent application of the principle of secularism. The consolidation of the secular state order depends on various factors other than a suitable constitution. However, it goes without saying that constitutions can help or hinder efforts to find solutions. Therefore, this book identifies the deficiencies in the Turkish constitutional and legal framework regarding the protection of secularism. It presents the historical development and definition of a secular state, analyzes the jurisprudence of the Turkish Constitutional Court and the European Court of Human Rights, studies the application of the party prohibition mechanism as a means of protecting the principle, and assesses the constitutional amendments of 2001, 2010, and 2017. Moreover, it proposes much-needed constitutional and legal amendments with a view to improving the application of the principle of secularism.

Party Change in Southern Europe Anna Bosco, Leonardo Morlino, 2007-02. Previously published as a special issue of *South European Society and Politics*, this volume examines how and why political parties in Southern Europe have weakened between 1995 and 2005.

Contemporary Turkish Politics Challenges To Democratic Consolidation Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Contemporary Turkish Politics Challenges To Democratic Consolidation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Contemporary Turkish Politics Challenges To Democratic Consolidation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Contemporary Turkish Politics Challenges To Democratic Consolidation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Contemporary Turkish Politics Challenges To Democratic Consolidation Books

1. Where can I buy Contemporary Turkish Politics Challenges To Democratic Consolidation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
