church believers and nonbelievers deploy stinging terms to define an imperial culturally privileged and powerful American force Church has become synonymous with shame exclusion and hostility This is not the church of Jesus American Christians are victims of a deliberate and shortsighted scheme designed to identify and defeat religious cultural and sexual Others From the language of makers and takers to if you're not for us you're against us to the continual suggestion that we are soldiers in a constant series of wars the war on women the war on the family the war on Christians the war on Christmas the war on terror and much more Christians are near the heart of enmity The New Testament however seeks to create an alternative community a community devoid of fear wherein God's love and acceptance are mediated to all people through the grace of Jesus In *Unarmed Empire* Sean Palmer reclaims the New Testament's vision of the church as an alternative community of welcome harmony and peace *Unarmed Empire* is for everyone who's been misled about church It's for everyone who feels blacklisted by believers everyone who has been hurt It's for everyone longing for a purer experience of church
