Gaspar Cassadó Gabrielle Kaufman, 2016-12-08

Barcelonian Gaspar Cassad 1897 1966 was one of the greatest cello virtuosos of the twentieth century and a notable composer and arranger leaving a vast and heterogeneous legacy In this book Gabrielle Kaufman provides the first full length scholarly work dedicated to Cassad containing the results of seven years of research into his life and legacy after following the cellist s steps through Spain France Italy and Japan The study presents in depth descriptions of the three main parts of Cassad s creative output composition transcription and performance especially focusing on Cassad s plural and multi faceted creativity which is examined from both cultural and historical perspectives Cassad s role within the evolution of twentieth century cello performance is thoroughly examined including a discussion regarding the musical and technical aspects of performing Cassad s works aimed directly at performers The study presents the first attempt at a comprehensive catalogue of Cassad s works both original and transcribed as well as his recordings using a number of new archival sources and testimonies In addition the composer s significance within Spanish twentieth century music is treated in detail through a number of case studies sustained by examples from recovered score manuscripts Illuminated by extraordinary source material Gaspar Cassad Cellist Composer and Transcriber expands and deepens our knowledge of this complex figure and will be of crucial importance to students and scholars in the fields of Performance Practice and Spanish Music as well as to professional cellists and advanced cello students

Shostakovich in Dialogue Judith Kuhn, 2017-07-05 A thorough examination of Shostakovich s string quartets is long overdue Although they can justifiably lay claim to being the most significant and frequently performed twentieth century oeuvre for that ensemble there has been no systematic English language study of the entire cycle Judith Kuhn s book begins such a study undertaken with the belief that despite a growing awareness of the universality of Shostakovich s music much remains to be learned from the historical context and an examination of the music s language Much of the controversy about Shostakovich s music has been related to questions of meaning The conflicting interpretations put forth by scholars during the musicological Shostakovich wars have shown the impossibility of fixing a single meaning in the composer s music Commentators have often heard the quartets as political in nature although there have been contradictory views as to whether Shostakovich was a loyal communist or a dissident The works are also often described as vivid narratives perhaps a confessional autobiography or a chronicle of the composer s times The cycle has also been heard to examine major philosophical issues posed by the composer s life and times including war death love the conflict of good and evil the nature of subjectivity the power of creativity and the place of the individual and particularly the artist in society Soviet commentaries on the quartets typically describe the works through the lens of Socialist Realist mythological master narratives Recent Western commentaries see Shostakovich s quartets as expressions of broader twentieth century subjectivity filled with ruptures and uncertainty What musical features enable these diverse interpretations Kuhn examines

each quartet in turn looking first at its historical and biographical context and goes on to give special attention to the cultural questions being discussed at the time of its writing

Christmas Treasures ,2004-08 Imaginative duet parts for a teacher or more advanced student provide incredible harmonic and rhythmic variety Dynamic background orchestrations can also be used as vocal accompaniments for holiday sing alongs No eighth notes or dotted rhythms are used and all arrangements stay in stationary five finger patterns Titles arranged for the beginning pianist include Jingle Bells Jolly Old Saint Nicholas Up on the Housetop Winter Wonderland Joy to the World Away in a Manger Let It Snow Let It Snow Let It Snow It s the Most Wonderful Time of the Year O Come All Ye Faithful Toyland We Wish You a Merry Christmas

A Pilgrim in a Pilgrim Church Rembert Weakland,2009-06 For many people the name of Archbishop Rembert Weakland brings to mind only connotations of scandal the titillating tale of a prominent priest disgraced But that whiff of dishonor barely begins to tell the whole story In these pages Archbishop Weakland recounts his life from his childhood in rural Pennsylvania to his retirement from the archbishopric in 2002 at the age of 75 all in the context of the Church that he long served Weakland takes readers with him to Rome where he discovered the splendor of a whole new intellectual world and then to New York for his extensive musical study at Julliard and Columbia University From his early days in the priesthood to his struggles with pontiffs Weakland details how he learned to become a leader and minister to his people and how his famously liberal beliefs affected his ministry While he presents an honest account of the scandal he is so often recognized for the complete picture beyond rumor and accusation may come as a surprise to many readers Throughout his memoir Weakland describes with poignant honesty his psychological spiritual and sexual growth Candid and engaging A Pilgrim in a Pilgrim Church offers a fascinating inside look at both Pope Paul VI and Pope John Paul II even as it tells the story of a life fully lived
