Kierkegaard Bibliography Peter Šajda,Jon Bartley Stewart,2016 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies Provided by publisher **Charles Wright in Conversation** Robert D. Denham,2014-11-21 Because Charles Wright occupies a large space in contemporary American poetry it is only natural that his readers over the years have wanted to engage him in conversation and discover more about his career and inspirations In this collection of richly detailed interviews conducted between 1979 and 2006 Wright eloquently discusses a range of topics including the beginning of his poetic career in Italy his experiences at the University of Iowa the American and European influences on his work contemporary poets he admires his place in Southern literature the art of translating poetry and such formal matters as his lineation and rhythmic phrasing his use of syllabics and the development of his characteristic style An extensive bibliography of writings by and about Wright supplements the interviews

The Neoliberal Imagination in Contemporary Literature Tammy Amiel Houser,2024-08-06 This book examines the relationship between empathy and neoliberalism as it unfolded in the aftermath of the 2008 financial crisis and through the turbulent 2010s Via close readings of contemporary novels as well as various non fictional texts it traces the changing approaches to empathy in the post financial crisis imagination highlighting a crucial re conceptualization of empathy as a boundaryless force untethered to local or social circumstance This reconceptualization implicitly aligns empathy with the neoliberal ethos of globalism and distances it from the traditional notion of sympathy Via complex dialogue with the

novelistic tradition of sympathy contemporary novelists highlight the problematics of boundaryless empathy while exploring ways to resist neoliberal views and values Analyzing engagements with empathy in post 2008 literature and culture the book sheds light on the underlying affective dynamics that enabled the persistence of neoliberalism after the 2008 financial crisis alongside efforts to challenge its dominance
