Armengol,2024-03-25 This book focuses on the construction of hegemonic masculinity as well as its representations in literature culture and film Although white heterosexual masculinity continues to be the dominant model it remains paradoxically largely invisible in gender terms While the first three chapters thus offer introductory theoretical perspectives on the latest research on white masculinities the following chapters concentrate on applying masculinity theory to the analysis of both social constructions and cultural i e literary and film representations of men s emotions with a special focus on new fatherhood models friendships between men as well as gender based violence **The Routledge Companion to Feminism and Postfeminism** Sarah Gamble,2004-11-23 Approachable for general readers as well as for students in women s studies related courses at all levels this invaluable guide follows the unique Companion format in combining over a dozen in depth background chapters with more than 400 A Z dictionary entries The background chapters are written by major figures in the field of feminist studies and include thorough coverage of the history of feminism as well as extensive discussions of topics such as Postfeminism Men in Feminism Feminism and New Technologies and Feminism and Philosophy The dictionary entries cover the major individuals and issues essential to an understanding both of feminism s roots and of the trends that are shaping its future Readers will find entries on people such as Aphra Behn Simone de Beauvoir Princess Diana Courtney Love and Robert Bly and on subjects such as Afro American feminism cosmetic surgery the new man prostitution reproductive technologies and slasher films **An International Psychology of Men** Chris Blazina,David S. Shen-Miller,2011-01-19 This text is the first to provide a contextual understanding of the clinical issues that affect men and masculinity across a wide range of cultural and national settings It demonstrates that gender can no longer be viewed as an isolated characteristic in an era of increased globalization mental health professionals need to take ethnic and cultural issues into account to provide adequate care for male patients Numerous international perspectives are offered by the contributing authors authorities from countries such as Australia Argentina Denmark Canada India Ireland and South Africa on theoretical and clinical innovations for working with men Their chapters also offer insight into the socio cultural contexts for counseling men in and from their respective countries by exploring the ways in which being a man is socially defined what unique challenges men face and how these challenges can be negotiated within their specific cultural settings Topics addressed will include boyhood notions of manhood relationship concerns and power fatherhood and men s body image across the life span This text will ultimately enable mental health practitioners to have a better understanding of how to work more effectively with male clients *From Labouring to Learning* Michael R.M. Ward,2016-04-29 Highly Commended in the Society of Educational Studies Book Prize This book explores how economic changes and the growing importance of educational qualifications in a shrinking labour market particularly effects marginalized young men It follows a group of young working class men in a de industrial community and challenges commonly held representations that often appear in the media and in policy discourses which portray them as feckless out of control educational failures and lacking aspiration Ward argues that

for a group of young men in a community of social and economic deprivation expectations and transitions to adulthood are framed through the industrial legacy of geographically and historically shaped class and gender codes These codes have an impact on what it means to be a man and what behaviour is deemed acceptable and what is not *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report **Mythopoetic Perspectives of Men's Healing Work** Edward R. Barton, 2000-09-30 Photocopied galley proof with manuscript revisions and printer's annotations of Mythopoetic perspectives of men's healing work 2000 published by Bergin Garvey Politics of Masculinities Michael A. Messner, 1997-03-20 This book makes an ideal introduction to the discussion of gender roles and masculinity In the years since feminism has taken root the role of men and masculinity has begun to undergo its own redefinition Michael A Messner provides a sociological framework to understand the responses of men to the changes challenges and crises in the social organization of gender He examines not only what certain groups of men say about gender but also what they do The various social movements engaged with the politics of masculinity are also looked at Family, Gender, and Law in Early Modern France Suzanne Desan, Jeffrey Merrick, 2010-11-01 Encyclopedia of Women and Gender, **Men in Perspective** Nigel Edley, Margaret Wetherell, 1995 A systematic but critical review of contemporary perspectives on masculinity and identity The authors cover a range of perspectives from biological analysis and psychoanalytical accounts to cultural analysis and feminist approaches

Gender and Research: Men's studies, queer theory, polyvocality Sara Delamont, Paul Atkinson, 2008 For the past thirty years there have been vigorous debates about the roles played by gender sexuality and sexual orientation in research This collection brings together the debates together set them into their historical and theoretical context and deal with the major criticisms and refutations A particular strength of this collection is that it will available a key sources otherwise scattered and hard to obtain Volume I discusses three sub themes the context in which gender became a matter of concern for researchers the context in which feminist methods were developed and the re discovery of the methodological work of well known women such as Jane Addams and Florence Nightingale Volume II looks at research that has been conducted with explicit awareness of gender Volume III focuses on the pioneering work of innovative scholars who argued for feminist methods in the years after 1950 It then goes on to investigate research that defended and debated the formulations of feminist methods Finally volume IV explicitly relates the themes of Queer Theory Subaltern Theory and Polyvocality themes that evolved with feminist methods to those topics showcased in the other three volumes Ethnicities and Masculinities in the Making Gerhard Johann Schwab, 1998 Myths of Masculinity William G. Doty, 1993 A redefinition of gender and of

masculinity and femininity which may liberate men and women from constrictions imposed by dominant past models
