How Photography

Became Contemporary Art Andy Grundberg, 2021-02-23 A leading critic's inside story of the photo boom during the crucial decades of the 1970s and 80s When Andy Grundberg landed in New York in the early 1970s as a budding writer photography was at the margins of the contemporary art world By 1991 when he left his post as critic for the New York Times

photography was at the vital center of artistic debate Grundberg writes eloquently and authoritatively about photography's boom years chronicling the medium's increasing role within the most important art movements of the time from Earth Art and Conceptual Art to performance and video He also traces photography's embrace by museums and galleries as well as its politicization in the culture wars of the 80s and 90s Grundberg reflects on the landmark exhibitions that defined the moment and his encounters with the work of leading photographers many of whom he knew personally including Gordon Matta Clark Cindy Sherman and Robert Mapplethorpe He navigates crucial themes such as photography's relationship to theory as well as feminism and artists of color Part memoir and part history this perspective by one of the period's leading critics ultimately tells a larger story about the crucial decades of the 70s and 80s through the medium of photography

Sebald's Artistic Legacies Leonida Kovac, Christa-Maria Lerm Hayes, Ilse Rijn, Ihab Saloul, 2025-10-01 When the mind turns more than one would wish towards questions of as W G Sebald puts it the natural history of destruction comparative consideration by artists and interdisciplinary scholars is directed to the interstices between images novel essay auto biography memorial and travelogue Artists have been among

Sebald's most prolific interpreters as they are among the more fearless and holistic researchers on questions concerning what it means never to be able to fix an identity to tell a migrant's story or to know where a historical trauma ends. Sebald has, as this book attests, also given artists and scholars a means to write with images to embrace ambiguity and to turn to today's migrants with empathy and responsibility as well as to let academic research creation and institutional engagement blend into or substantially inform one another in order to account for and enable such necessary work in the most diverse contexts.
