## **Contemporary Politics In Japan:**

*Contemporary Politics in Japan* Junnosuke Masumi, 2023-11-15 This study by one of Japan's foremost political scientists examines the unfolding relationship between the Liberal Democratic Party LDP the state and the forces of industrialization in Japan from the 1950s through the 1980s It is the only book in English to describe and analyze in detail Japan's political development during this critical period Masumi argues that Japan's rapid economic growth was promoted by an iron triangle among three actors the LDP the bureaucracy and big business This growth fueled the enormous social changes of the 1960s and 1970s which in turn forced the transformation of the iron triangle and the basis of party power In a final chapter Masumi reflects on the end of LDP rule in 1993 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995

**Japanese Contemporary Politics** Akio Igarashi, 2018-06-27 In the postwar period Japanese politics has evolved considerably with issues of gender representation and household economics becoming increasingly salient Meanwhile since the end of the Cold War Japan has joined other developed states in the process of decentralization and deindustrialization Yet its restructuring has come at a slower pace as the Japanese bureaucracy attempts to retain a more traditional approach This book a translated and updated version of the author's 2010 monograph *Nihon seijiron* traces these developments in Japanese politics from the end of the Asia Pacific wars to the present day Examining each of the key stages of transition it looks at four aspects of Japanese politics high politics interest centered politics life centered politics and globalization It also provides up to date analysis of contemporary themes including the Abe administration's challenge to international politics and coverage of nuclear issues Written by an experienced Japanese scholar this book ultimately demonstrates how globalization has transformed the nature of local politics as well as national security However as seen in the recent triple disaster of 2011 a chapter on which has been added Japanese politics retains traditional practices that have led to corruption scandal and political mistrust among the electorate Offering a comprehensive introduction to Japanese politics this book will be invaluable reading for students and scholars of Japanese politics and comparative and Asia politics in general

**Party Politics in Japan** Ronald J. Hrebienar, Akira Nakamura, 2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on

Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly

*Dictionary of the Modern Politics of Japan* Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system

**Party Politics in Japan** Ronald J. Hrebienar, Akira Nakamura, 2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly

**Contemporary Japan, Second Edition** Duncan McCargo, 2004-05-07 Now fully revised

and updated this widely praised introductory text explores Japan through the prism of three alternative perspectives mainstream revisionist and culturalist Beginning with the noting of Japan as a contested territory the book focuses on debates about the real nature of Japan's successes and shortcomings Japan's Emergence as a Modern State - 60th anniv. ed. Herbert E. Norman, 2011-11-01 Originally published in 1940 by the Institute of Pacific Relations IPR this classic work by a leading 20th century Japanologist has an enduring value Japan's Emergence as a Modern State examines the problems and accomplishments of the Meiji period 1868-1912 This edition includes forewords by R Gordon Robertson a former member of the Canadian Department of External Affairs Len Edwards the present Canadian ambassador to Japan and William L Holland former secretary general of the IPR as well as a preface and introduction by Lawrence Woods Also included are 10 short essays by leading Canadian Japanese and American scholars of Japanese politics history and economics **The Making of Modern Japan** Marius B. Jansen, 2002-10-15 Masterful in vision sweeping in scope this monumental work presents a seamless account of Japanese society during the modern era from 1600 to the present A distillation of more than fifty years engagement with Japan and its history it is the crowning work of our leading interpreter of the modern Japanese experience Since 1600 Japan has undergone three periods of wrenching social and institutional change following the imposition of hegemonic order on feudal society by the Tokugawa shogun the opening of Japan's ports by Commodore Perry and defeat in World War II The Making of Modern Japan charts these changes the social engineering begun with the founding of the shogunate in 1600 the emergence of village and castle towns with consumer populations and the diffusion of samurai values in the culture Marius Jansen covers the making of the modern state the adaptation of Western models growing international trade the broadening opportunity in Japanese society with industrialization and the postwar occupation reforms imposed by General MacArthur Throughout the book gives voice to the individuals and views that have shaped the actions and beliefs of the Japanese with writers artists and thinkers as well as political leaders given their due The story this book tells though marked by profound changes is also one of remarkable consistency in which continuities outweigh upheavals in the development of society and successive waves of outside influence have only served to strengthen a sense of what is unique and native to Japanese experience The Making of Modern Japan takes us to the core of this experience as it illuminates one of the contemporary world's most compelling transformations **Understanding governance in contemporary Japan** Masahiro Mogaki, 2019-02-11 This book explores the transformation of the Japanese state in response to the challenges of governance by focusing on two case studies ICT regulation and antimonopoly regulation after the 1980s which experienced a disjuncture and significant transformation within the period with approaches embracing competition In so doing it reveals the transformation of the state and governance in a Japanese context and presents itself as an example of the new governance school addressing the state its transformation and the governance of the political arena in Japanese politics and beyond setting out a challenge to the established body of pluralist and rational choice literature in Japanese politics With its

comprehensive review and analysis of the theory and development of Japan's contemporary politics this book is suitable as a textbook for undergraduate and postgraduate courses as well as a guidebook for practitioners engaging in policies and businesses relating to Japan      *The Policy-Making Process in Contemporary Japan* M. Nakano, 1996-11-12 This book deals with the public policy making process in contemporary Japan testifying a new dictum The various phases of the policy process cause politics The analytical focus is threefold encompassing the policy making process on the national level elections and the policy making process and the regional policy and decision making These analyses offer a number of original and comparative data on Japanese politics This book also tries to interpret the basic pattern of Japanese politics which contributes to a clear understanding of the dynamic aspects of the political process and political economy after the Second World War      *Contemporary Japan* Jeff Kingston, 2012-05-30 The second edition of this comprehensive study of recent Japanese history now includes the author's expert assessment of the effects of the earthquake and tsunami including the political and environmental consequences of the Fukushima reactor meltdown Fully updated to include a detailed assessment of the aftermath of the March 2011 earthquake and tsunami Shows how the nuclear crisis at Fukushima was an accident waiting to happen Includes detailed discussion of Japan's energy policy now in flux after the mishandling of the Fukushima crisis Analyzes Japan's Lost Decades why jobs and families are less stable environmental policies immigration the aging society the US alliance the imperial family and the yakuza criminal gangs Authoritative coverage of Japanese history over the last two decades one of the country's most tumultuous periods      *Introduction to Japanese Politics* Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics

**Japan at the Millennium** David W. Edgington, 2003 Japan today is at an important historical juncture Buffeted in recent years by rapid economic social and political change yet still very much steeped in custom and history the nation has become an amalgam of the traditional and the modern As a result the country has become increasingly difficult to categorize How are we to represent today's Japan effectively and fairly predict its future This critical multi disciplinary collection explores the convergence of past and future in contemporary Japan Contributors comment on a wide range of economic socio cultural and political trends such as the mobilization of Japanese labour the burgeoning Ainu identity movement and the shifting place of

the modern woman and conclude that despite the rapid changes many of the traditional facets of Japanese society have remained intact institutional change they assert is unlikely to occur quickly and Japan must find alternate ways to adjust to twenty first century pressures of global competition and interdependence A pleasure to read this broad volume will be welcomed by upper level undergraduates graduates and specialists in Japanese studies

**The Oxford Handbook of Energy Politics** Kathleen J. Hancock, Juliann Emmons Allison, 2020 In many ways everything we once knew about energy resources and technologies has been impacted by the longstanding scientific consensus on climate change and related support for renewable energy the affordability of extraction of unconventional fuels increasing demand for energy resources by middle and low income nations new regional and global stakeholders fossil fuel discoveries and emerging renewable technologies awareness of trans local politics and rising interest in corporate social responsibility CSR and the need for energy justice Research on these and related topics now appears frequently in social science academic journals in broad based journals such as International Organization International Studies Quarterly and Review of International Political Economy as well as those focused specifically on energy e g Energy Research Social Science and Energy Policy the environment Global Environmental Politics natural resources Resources Policy and extractive industries Extractive Industries and Society The Oxford Handbook of Energy Politics synthesizes and aggregates this substantively diverse literature to provide insights into and a foundation for teaching and research on critical energy issues primarily in the areas of international relations and comparative politics Its primary goals are to further develop the energy politics scholarship and community and generate sophisticated new work that will benefit a variety of scholars working on energy issues

**Japanese Political Culture** Takeshi Ishida, This volume provides a perceptive background to modern Japanese culture Ishida attempts a balanced evaluation of modern Japan seeking to explain why the basic characteristics of Japanese society permit two almost opposite assessments He divides the development of modern Japan into two stages first the period starting from the Meiji Restoration 1868 up to the end of World War II second from the defeat of Japan in World War II up to the present Ishida investigates the essential features of the modern Japanese value system and the social structure which comprise both traditional and modern elements He examines how Japanese society has adapted Western influences to suit its own needs the real miracle of modern Japan As the Japanese economy grows and Japan becomes an economic superpower political self confidence is also emerging Ishida however remains critical of Japanese society because he feels that Japan lacked the internal resources to change the political system from within until its defeat by the Allies forced it to introduce various reforms ordered by the occupation authorities Despite the rapid changes taking place in Japanese society certain attitudes such as conformity and competition are common to both the prewar and postwar periods The final section is devoted to the field of peace research Ishida presents differences of meaning in the concepts of peace in ancient Hebrew Greek Roman Chinese and Indian cultures in order to characterize the Japanese concept of peace which akin to the Chinese

emphasizes harmony rather than justice He goes on to discuss Japan's images of Gandhi which according to the author were projections of ultranationalist prejudice and missed the significance of his nonviolent direct action Ishida emphasizes the importance of such nonviolent action as a means to carry out social change toward the realization of justice      **Modern Japanese Thought** Bob T. Wakabayashi, 1998-03-28 A comprehensive intellectual history describing the forces that made Japanese thinkers both receptive and hostile to Western ideas and values      **Parties and Politics in Contemporary Japan** Robert A. Scalapino, Junnosuke Masumi, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1962      The Postwar Developments of Japanese Studies in the United States Helen Hardacre, 1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945      **Crisis and Compensation** Kent E. Calder, 2021-04-13 Why does Japan with its efficiency oriented technocracy periodically adopt welfare oriented economically inefficient domestic policies In answering this question Kent Calder shows that Japanese policymakers respond to threats to the ruling party's preeminence by extending income compensation entitlements and subsidies with market oriented retrenchment coming as crisis subsides Quite simply the most ambitious and strongly argued interpretation of a key dimension of Japanese political life to appear in English this decade David Williams Japan Times Historically dense and conceptually rich Forces readers attention to the domestic underpinnings of Japanese foreign policy Donald S Zagoria Foreign Affairs Punctures the myth of Japan Inc as a cool rational monolith Kathleen Newland Millennium A bold reinterpretation of Japanese politics that will force us to rethink many of our current assumptions and will influence our research agenda Steven R Reed Journal of Japanese Studies

*Japanese Diplomacy* H. D. P. Envall, 2015-02-17 A political leader is most often a nation's most high profile foreign policy figure its chief diplomat But how do individual leadership styles personalities perceptions or beliefs shape diplomacy In Japanese Diplomacy the question of what role leadership plays in diplomacy is applied to Japan a country where the individual is often viewed as being at the mercy of the group and where prime ministers have been largely thought of as reactive and weak In challenging earlier simplified ideas of Japanese political leadership H D P Envall argues that Japan's leaders from early Cold War figures such as Yoshida Shigeru to the charismatic and innovative Koizumi Jun ichir to the present leadership of Abe Shinz have pursued leadership strategies of varying coherence and rationality often independent of their political environment He also finds that different Japanese leaders have shaped Japanese diplomacy in some important and underappreciated ways In certain environments individual difference has played a significant role in determining Japan's diplomacy both in terms of the country's strategic identity and summit diplomacy What emerges from Japanese Diplomacy

therefore is a more nuanced overall picture of Japanese leadership in foreign affairs

## **Contemporary Politics In Japan Introduction**

In today's digital age, the availability of Contemporary Politics In Japan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Contemporary Politics In Japan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Contemporary Politics In Japan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Contemporary Politics In Japan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Contemporary Politics In Japan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Contemporary Politics In Japan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Contemporary Politics In Japan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Contemporary Politics In Japan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Contemporary Politics In Japan books and manuals for download and embark on your journey of knowledge?

### **FAQs About Contemporary Politics In Japan Books**

1. Where can I buy Contemporary Politics In Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Contemporary Politics In Japan book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
