Karp, June H. Schlessinger, 1991

Contemporary Children's Literature and Film Kerry Mallan, 2011-07-13 Bringing together leading and emerging scholars this book argues for the significance of theory for reading texts written and produced for young people Integrating perspectives from across feminism ecocriticism postcolonialism and poststructuralism it demonstrates how these inform approaches to a range of contemporary literature and film **World Cinemas, Transnational Perspectives** Nataša Durovicová, Kathleen E. Newman, 2009-09-10 SCMS Award Winner Best Edited Collection The standard analytical category of national cinema has increasingly been called into question by the category of the transnational This anthology examines the premises and consequences of the coexistence of these two categories and the parameters of historiographical approaches that cross the borders of nation states The three sections of World Cinemas Transnational Perspectives cover the geopolitical imaginary transnational cinematic institutions and the uneven flow of words and images Education and the Culture of Print in Modern America Adam R. Nelson, John L. Rudolph, 2010-05-26 Vividly revealing the multiple layers on which print has been produced consumed regulated and contested for the purpose of education since the mid nineteenth century the historical case studies in Education and the Culture of Print in Modern America deploy a view of education that extends far

beyond the confines of traditional classrooms The nine essays examine how print educates in settings as diverse as depression era work camps religious training and broadcast television all the while revealing the enduring tensions that exist among the controlling interests of print producers and consumers This volume exposes what counts as education in American society and the many contexts in which education and print intersect Offering perspectives from print culture history library and information studies literary studies labor history gender history the history of race and ethnicity the history of science and technology religious studies and the history of childhood and adolescence Education and the Culture of Print in Modern America pioneers an investigation into the intersection of education and print culture **International Companion**

completely by people who are actually funny for a living This incredibly hysterical cutting edge collection of monologues will give an actor the extra bang he needs to land the perfect comedic role *Men s Comedic Monologues That Are Actually Funny* features monologues by writers and comics who have written for and or performed on Saturday Night Live The Tonight Show Last Comic Standing E Entertainment Comedy Central Stage and many many more This book is the answer to the comedic monologue needs of male actors everywhere **Contemporary Plays** Thomas Herbert Dickinson,Jack Randall

Crawford,1925 *A Complete Identity* Rachel E. Johnson,2014-05-28 This book offers an examination of the hero figure in the work of G A Henty 1832 1902 and George MacDonald 1824 1905 and a reassessment of oppositional critiques of their writing It demonstrates the complementary characteristics of the hero figure which construct a complete identity commensurate with the Victorian ideal hero The relationship between the expansion of the British Empire and youthful heroism is established through investigation of the Victorian political social and religious milieu the construct of the child and the construct of the hero A connection between the exotic geographical space of empire and the unknown psychological space is drawn through examination of representation of the other in the work of Henty and MacDonald This book demonstrates that Henty s work is more complex than the stereotypically linear masculine imperialistic critique of his stories as historical realism allows and that MacDonald s work displays more evidence of historical embedding and ideological interpellation than the critical focus on his work as fantasy and fairy tale considers Greater understanding of the effect of this heroic ideal on nineteenth century society leads to a greater understanding of the implications for subsequent children s literature and Western cultures including that of the twenty first century **Taiwan's Contemporary Indigenous Peoples**

Chia-yuan Huang,Daniel Davies,Dafydd Fell,2021-07-08 This edited volume provides a complete introduction to critical issues across the field of Indigenous peoples in contemporary Taiwan from theoretical approaches to empirical analysis Seeking to inform wider audiences about Taiwan s Indigenous peoples this book brings together both leading and emerging scholars as part of an international collaborative research project sharing broad specialisms on modern Indigenous issues in Taiwan This is one of the first dedicated volumes in English to examine contemporary Taiwan s Indigenous peoples from such a range of disciplinary angles following four section themes long term perspectives the arts education and politics Chapters offer perspectives not only from academic researchers but also from writers bearing rich practitioner and activist experience from within the Taiwanese Indigenous rights movement Methods range from extensive fieldwork to Indigenous directed film and literary analysis Taiwan s Contemporary Indigenous Peoples will prove a useful resource for students and scholars of Taiwan Studies Indigenous Studies and Asia Pacific Studies as well as educators designing future courses on Indigenous studies

Teen Boys' Comedic Monologues That Are Actually Funny Alisha Gaddis,2015-06-01 You wanna be funny for your audition This book of monologues written by people who are actually funny for a living has your back This incredibly hysterical cutting edge monologue book will give the teen actor the extra bang he needs to land the perfect comedic role

Teen Boys Comedic Monologues That Are Actually Funny features monologues by writers and comics who have written for and or performed on Saturday Night Live The Tonight Show Last Comic Standing E Entertainment Comedy Central Stage and many many more This book is the answer to the comedic monologue needs of teen actors everywhere Samuel French's Basic Catalogue of Plays Samuel French, Inc,1997 Baker's Plays ,1987 **They Also Write for Kids** Suzanne Manizza Roszak,2022-12-28 Outside the world of children s literature studies children s books by authors of well known texts for adults are often forgotten or marginalized Although many adults today read contemporary children s and young adult fiction for pleasure others continue to see such texts as unsuitable for older audiences and they are unlikely to cross read children s books that were themselves cross written by authors like Chinua Achebe Anita Desai Joy Harjo or Amy Tan Meanwhile these literary voices have produced politically vital works of children s literature whose complex themes persist across boundaries of expected audience These works form part of a larger body of activist writing for children that has long challenged preconceived notions about the seriousness of such books and ideas about who in fact should read them They Also Write for Kids Cross Writing Activism and Children s Literature seeks to draw these cross writing projects together and bring them to the attention of readers In doing so this book invites readers to place children s literature in conversation with works more typically understood as being for adult audiences read multiethnic US literature alongside texts by global writers consider children s poetry and nonfiction as well as fiction and read diachronically as well as cross culturally These ways of reading offer points of entry into a world of books that refuse to exclude young audiences in scrutinizing topics that range from US settler colonialism and linguistic prejudice to intersectional forms of gender inequality The authors included here also employ an intricate array of writing strategies that challenge lingering stereotypes of children s literature as artistically as well as intellectually simplistic They subversively repurpose tropes and conventions from canonical children s books embrace an epistemology of children s literature that emphasizes ambiguity and complexity invite readers to participate in redefining concepts such as civilization and cultural belonging engage in intricate acts of cross cultural representation and re envision their own earlier works in new forms tailored explicitly to younger audiences Too often disregarded by skeptical adults these texts offer rich rewards to readers of all ages and here they are brought to the fore **Charles Dickens and the Victorian Child** Amberly Malkovich,2013-02-11 This book explores the ideas of children and childhood and the construct of the ideal Victorian child that developed rapidly over the Victorian era along with literacy and reading material for the emerging mass reading public Children s Literature was one of the developing areas for publishers and readers alike yet this did not stop the reading public from bringing home works not expressly intended for children and reading to their family Within the idealized middle class family circle authors such as Charles Dickens were read and appreciated by members of all ages By examining some of Dickens s works that contain the imperfect child and placing them alongside works by Kingsley MacDonald Stretton Rossetti and Nesbit Malkovich considers the construction romanticization and

socialization of the Victorian child within work read by and for children during the Victorian Era and early Edwardian period. These authors use elements of religion, death, irony, fairy worlds, gender, and class to illustrate the need for the ideal child and yet the impossibility of such a construct. Malkovich contends that the imperfect child more readily reflects reality, whereas the ideal child reflects an unattainable fantasy, and while debates rage over how to define children's literature, such children, though somewhat changed, can still be found in the most popular of literatures read by children contemporarily.

Mother Kirk Douglas Wilson, 2001. Modern evangelicals have gained money, power, and influence, and it has been like giving whiskey to a two-year-old. The need of the hour is theological, not political. The arena is the pulpit and the table, not the legislative chamber. Before we are equipped to proclaim His lordship to the inhabitants of all the earth, we must live as though we believed it in the Church. Mother Kirk presents a very practical and pastoral guide to many of the countless issues that arise in conservative Christian churches. The essays span subjects ranging from the nature of legalism and church authority to worship, music, debt, youth ministry, and pastoral character.
